§ 578.17 Overview of application and grant award process.

(a) *Formula.* (1) After enactment of the annual appropriations act for each fiscal year, and issuance of the NOFA, HUD will publish, on its Web site, the Preliminary Pro Rata Need (PPRN) assigned to metropolitan cities, urban counties, and all other counties.

(2) HUD will apply the formula used to determine PPRN established in paragraph (a)(3) of this section, to the amount of funds being made available under the NOFA. That amount is calculated by:

(i) Determining the total amount for the Continuum of Care competition in accordance with section 413 of the Act or as otherwise directed by the annual appropriations act;

(ii) From the amount in paragraph (a)(2)(i) of this section, deducting the amount published in the NOFA as being set aside to provide a bonus to geographic areas for activities that have proven to be effective in reducing homelessness generally or for specific subpopulations listed in the NOFA or achieving homeless prevention and independent living goals established in the NOFA and to meet policy priorities set in the NOFA; and

(iii) Deducting the amount of funding necessary for Continuum of Care planning activities and UFA costs.

(3) PPRN is calculated on the amount determined under paragraph (a)(2) of this section by using the following formula:

(i) Two percent will be allocated among the four insular areas (American Samoa, Guam, the Commonwealth of the Northern Marianas, and the Virgin Islands) on the basis of the ratio of the population of each insular area to the population of all insular areas.

(ii) Seventy-five percent of the remaining amount will be allocated, using the Community Development Block Grant (CDBG) formula, to metropolitan cities and urban counties that have been funded under either the Emergency Shelter Grants or Emergency Solutions Grants programs in any one year since 2004.

(iii) The amount remaining after the allocation under paragraphs (a)(1) and (2) of this section will be allocated, using the CDBG formula, to metropolitan cities and urban counties that have not

been funded under the Emergency Solutions Grants program in any year since 2004 and all other counties in the United States and Puerto Rico.

(4) If the calculation in paragraph (a)(2) of this section results in an amount less than the amount required to renew all projects eligible for renewal in that year for at least one year, after making adjustments proportional to increases in fair market rents for the geographic area for leasing, operating, and rental assistance for permanent housing, HUD will reduce, proportionately, the total amount required to renew all projects eligible for renewal in that year for at least one year, for each Continuum of Care. HUD will publish, via the NOFA, the total dollar amount that every Continuum will be required to deduct from renewal projects Continuum-wide.

(b) *Calculating a Continuum of Care's maximum award amount.* (1) *Establish the PPRN amount.* First, HUD will total the PPRN amounts for each metropolitan city, urban county, other county, and insular area claimed by the Continuum as part of its geographic area, excluding any counties applying for or receiving funding from the Rural Housing Stability Assistance program under 24 CFR part 579.

(2) *Establishing renewal demand.* Next, HUD will determine the renewal demand within the Continuum's geographic area. Renewal demand is the sum of the annual renewal amounts of all projects within the Continuum eligible to apply for renewal in that fiscal year's competition, before any adjustments to rental assistance, leasing, and operating line items based on FMR changes.

(3) *Establishing FPRN.* The higher of PPRN or renewal demand for the Continuum of Care is the FPRN, which is the base for the maximum award amount for the Continuum.

(4) *Establishing the maximum award amount.* The maximum award amount for the Continuum is the FPRN amount plus any additional eligible amounts for Continuum planning; UFA costs; adjustments to leasing, operating and rental assistance line items based on changes to FMR; and available bonuses.

§ 578.19 Application process.

(a) *Notice of Funding Availability.* After enactment of the annual appropriations act for the fiscal year, HUD will issue a NOFA in accordance with the requirements of 24 CFR part 4.

(b) *Applications.* All applications to HUD, including applications for grant funds and requests for designation as a UFA or HPC, must be submitted at such time and in such manner as HUD may require, and contain such information as HUD determines necessary. At a minimum, an application for grant funds must contain a list of the projects for which it is applying for funds; a description of the projects; a list of the projects that will be carried out by subrecipients and the names of the subrecipients; a description of the subpopulations of homeless or at risk of homelessness to be served by projects; the number of units to be provided and/or the number of persons to be served by each project; a budget request by project; and reasonable assurances that the applicant, or the subrecipient, will own or have control of a site for the proposed project not later than the expiration of the 12-month period beginning upon notification of an award for grant assistance.

§ 578.21 Awarding funds.

(a) *Selection.* HUD will review applications in accordance with the guidelines and procedures provided in the NOFA and will award funds to recipients through a national competition based on selection criteria as defined in section 427 of the Act.

(b) *Announcement of awards.* HUD will announce awards and notify selected applicants of any conditions imposed on awards. Conditions must be satisfied before HUD will execute a grant agreement with the applicant.

(c) *Satisfying conditions.* HUD will withdraw an award if the applicant does not satisfy all conditions imposed on it. Correcting all issues and conditions attached to an award must be completed within the time frame established in the NOFA. Proof of site control, match, environmental review, and the documentation of financial feasibility must be completed within 12 months of the announcement of the award, or 24 months in the case of funds for acquisition, rehabilitation, or new construction. The 12-month deadline may be extended by HUD for up to 12

additional months upon a showing of compelling reasons for delay due to factors beyond the control of the recipient or subrecipient.

§ 578.23 Executing grant agreements.

(a) *Deadline.* No later than 45 days from the date when all conditions are satisfied, the recipient and HUD must execute the grant agreement.

(b) *Grant agreements.* (1) *Multiple applicants for one Continuum.* If a Continuum designates more than one applicant for the geographic area, HUD will enter into a grant agreement with each designated applicant for which an award is announced.

(2) *One applicant for a Continuum.* If a Continuum designates only one applicant for the geographic area, after awarding funds, HUD may enter into a grant agreement with that applicant for new awards, if any, and one grant agreement for renewals, Continuum of Care planning, and UFA costs, if any. These two grants will cover the entire geographic area. A default by the recipient under one of those grant agreements will also be a default under the other.

(3) *Unified Funding Agencies.* If a Continuum is a UFA that HUD has approved, then HUD will enter into one grant agreement with the UFA for new awards, if any, and one grant agreement for renewals, Continuum of Care planning and UFA costs, if any. These two grants will cover the entire geographic area. A default by the UFA under one of those grant agreements will also be a default under the other.

(c) *Required agreements.* Recipients will be required to sign a grant agreement in which the recipient agrees:

(1) To ensure the operation of the project(s) in accordance with the provisions of the McKinney-Veto Act and all requirements under 24 CFR part 578;

(2) To monitor and report the progress of the project(s) to the Continuum of Care and HUD;

(3) To ensure, to the maximum extent practicable, that individuals and families experiencing homelessness are involved, through employment, provision of volunteer services, or otherwise, in constructing, rehabilitating, maintaining, and operating facilities for the project and in providing supportive services for the project;

(4) To require certification from all subrecipients that:

(i) Subrecipients will maintain the confidentiality of records pertaining to any individual or family that was provided family violence prevention or treatment services through the project;

(ii) The address or location of any family violence project assisted under this part will not be made public, except with written authorization of the person responsible for the operation of such project;

(iii) Subrecipients will establish policies and practices that are consistent with, and do not restrict, the exercise of rights provided by subtitle B of title VII of the Act and other laws relating to the provision of educational and related services to individuals and families experiencing homelessness;

(iv) In the case of projects that provide housing or services to families, that subrecipients will designate a staff person to be responsible for ensuring that children being served in the program are enrolled in school and connected to appropriate services in the community, including early childhood programs such as Head Start, part C of the Individuals with Disabilities Education Act, and programs authorized under subtitle B of title VII of the Act;

(v) The subrecipient, its officers, and employees are not debarred or suspended from doing business with the Federal Government; and

(vi) Subrecipients will provide information, such as data and reports, as required by HUD; and

(5) To establish such fiscal control and accounting procedures as may be necessary to assure the proper disbursement of, and accounting for grant funds in order to ensure that all financial

transactions are conducted, and records maintained in accordance with generally accepted accounting principles, if the recipient is a UFA;

(6) To monitor subrecipient match and report on match to HUD;

(7) To take the educational needs of children into account when families are placed in housing and will, to the maximum extent practicable, place families with children as close as possible to their school of origin so as not to disrupt such children's education;

(8) To monitor subrecipients at least annually;

(9) To use the centralized or coordinated assessment system established by the Continuum of Care as set forth in § 578.7(a)(8). A victim service provider may choose not to use the Continuum of Care's centralized or coordinated assessment system, provided that victim service providers in the area use a centralized or coordinated assessment system that meets HUD's minimum requirements and the victim service provider uses that system instead;

(10) To follow the written standards for providing Continuum of Care assistance developed by the Continuum of Care, including the minimum requirements set forth in § 578.7(a)(9);

(11) Enter into subrecipient agreements requiring subrecipients to operate the project(s) in accordance with the provisions of this Act and all requirements under 24 CFR part 578; and

(12) To comply with such other terms and conditions as HUD may establish by NOFA.

§ 578.25 Site control.

(a) *In general.* When grant funds will be used for acquisition, rehabilitation, new construction, operating costs, or to provide supportive services, the recipient or subrecipient must demonstrate that it has site control within the time frame established in section § 578.21 before HUD will execute a grant agreement. This requirement does not apply to funds used for housing that will eventually be owned or controlled by the individuals or families served or for supportive services provided at sites not operated by the recipient or subrecipient.

(b) *Evidence.* Acceptable evidence of site control is a deed or lease. If grant funds will be used for acquisition, acceptable evidence of site control will be a purchase agreement. The owner, lessee, and purchaser shown on these documents must be the selected applicant or intended subrecipient identified in the application for assistance.

(c) *Tax credit projects.* (1) Applicants that plan to use the low-income housing tax credit authorized under 26 U.S.C. 42 to finance a project must prove to HUD's satisfaction that the applicant or subrecipient identified in the application is in control of the limited partnership or limited liability corporation that has a deed or lease for the project site.

(i) To have control of the limited partnership, the applicant or subrecipient must be the general partner of the limited partnership or have a 51 percent controlling interest in that general partner.

(ii) To have control of the limited liability company, the applicant or subrecipient must be the sole managing member.

(2) If grant funds are to be used for acquisition, rehabilitation, or new construction, the recipient or subrecipient must maintain control of the partnership or corporation and must ensure that the project is operated in compliance with law and regulation for 15 years from the date of initial occupancy or initial service provision. The partnership or corporation must own the project site throughout the 15-year period. If grant funds were not used for acquisition, rehabilitation, or new construction, then the recipient or subrecipient must maintain control for the term of the grant agreement and any renewals thereof.

§ 578.27 Consolidated plan.

(a) *States or units of general local government.* An applicant that is a State or a unit of general local government must have a HUD-approved, complete or abbreviated, consolidated plan in accordance with 24 CFR part 91. The applicant must submit a certification that the application for funding is consistent with the HUD-approved consolidated plan(s) for the jurisdiction(s) in which

the proposed project will be located. Funded applicants must certify in a grant agreement that they are following the HUD-approved consolidated plan.

(b) *Other applicants.* Applicants that are not States or units of general local government must submit a certification by the jurisdiction(s) in which the proposed project will be located that the applicant's application for funding is consistent with the jurisdiction's HUD-approved consolidated plan. The certification must be made by the unit of general local government or the State, in accordance with the consistency certification provisions under 24 CFR part 91, subpart F. If the jurisdiction refuses to provide a certification of consistency, the applicant may appeal to HUD under § 578.35.

(c) *Timing of consolidated plan certification submissions.* The required certification that the application for funding is consistent with the HUD-approved consolidated plan must be submitted by the funding application submission deadline announced in the NOFA.

§ 578.29 Subsidy layering.

HUD may provide assistance under this program only in accordance with HUD subsidy layering requirements in section 102 of the Housing and Urban Development Reform Act of 1989 (42 U.S.C. 3545) and 24 CFR part 4, subpart A. An applicant must submit information in its application on other sources of governmental assistance that the applicant has received, or reasonably expects to receive, for a proposed project or activities. HUD's review of this information is intended to prevent excessive public assistance for proposed project or activities by combining (layering) assistance under this program with other governmental housing assistance from federal, State, or local agencies, including assistance such as tax concessions or tax credits.

§ 578.31 Environmental review.

(a) Activities under this part are subject to environmental review by HUD under 24 CFR part 50. The recipient or subrecipient shall supply all available, relevant information necessary for HUD to perform, for each property, any environmental review required by 24 CFR part 50. The recipient or subrecipient must carry out mitigating measures required by HUD or select an alternate eligible property. HUD may eliminate from consideration any application that would require an Environmental Impact Statement.

(b) The recipient or subrecipient, its project partners, and their contractors may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish, or construct property for a project under this part, or commit or expend HUD or local funds for such eligible activities under this part, until HUD has performed an environmental review under 24 CFR part 50 and the recipient or subrecipient has received HUD approval of the property.

§ 578.33 Renewals.

(a) *In general.* Awards made under this part and title IV of the Act, as in effect before August 30, 2012 (the Supportive Housing Program and the Shelter Plus Care program), may be renewed to continue ongoing leasing, operations, supportive services, rental assistance, HMIS, and administration beyond the initial funding period. To be considered for funding, recipients must submit a request in a form specified by HUD, must meet the requirements of this part, and must submit the request within the time frame established by HUD.

(b) *Length of renewal.* HUD may award up to 3 years of funds for supportive services, leasing, HMIS, and operating costs. Renewals of tenant-based and sponsor-based rental assistance may be for up to one year of rental assistance. Renewals of project-based rental assistance may be for up to 15 years of rental assistance, subject to availability of annual appropriations.

(c) *Assistance available.* (1) Assistance during each year of a renewal period may be for:

(i) Up to 100 percent of the amount for supportive services and HMIS costs in the final year of the prior funding period;

(ii) Up to 100 percent of the amount for leasing and operating in the final year of the prior funding period adjusted in proportion to changes in the FMR for the geographic area; and

(iii) For rental assistance, up to 100 percent of the result of multiplying the number and unit size(s) in the grant agreement by the number of months in the renewal grant term and the applicable FMR.

(d) *Review criteria.* (1) Awards made under title IV of the Act, as in effect before August 30, 2012 are eligible for renewal in the Continuum of Care program even if the awardees would not be eligible for a new grant under the program, so long as they continue to serve the same population and the same number of persons or units in the same type of housing as identified in their most recently amended grant agreement signed before August 30, 2012. Grants will be renewed if HUD receives a certification from the Continuum that there is a demonstrated need for the project, and HUD finds that the project complied with program requirements applicable before August 30, 2012. For purposes of meeting the requirements of this part, a project will continue to be administered in accordance with 24 CFR 582.330, if the project received funding under the Shelter Plus Care program, or 24 CFR 583.325, if the project received funding under the Supportive Housing Program.

(2) *Renewal of awards made after August 30, 2012.* Review criteria for competitively awarded renewals made after August 30, 2012 will be described in the NOFA.

(e) *Unsuccessful projects.* HUD may renew a project that was eligible for renewal in the competition and was part of an application that was not funded despite having been submitted on time, in the manner required by HUD, and containing the information required by HUD, upon a finding that the project meets the purposes of the Continuum of Care program. The renewal will not exceed more than one year and will be under such conditions as HUD deems appropriate.

(f) *Annual Performance Report condition.* HUD may terminate the renewal of any grant and require the recipient to repay the renewal grant if:

(1) The recipient fails to timely submit a HUD Annual Performance Report (APR) for the grant year immediately prior to renewal; or

(2) The recipient submits an APR that HUD deems unacceptable or shows noncompliance with the requirements of the grant and this part.

§ 578.35 Appeal.

(a) *In general.* Failure to follow the procedures or meet the deadlines established in this section will result in denial of the appeal.

(b) *Solo applicants.* (1) *Who may appeal.* Nonprofits, States, and local governments, and instrumentalities of State or local governments that attempted to participate in the Continuum of Care planning process in the geographic area in which they operate, that believe they were denied the right to participate in a reasonable manner, and that submitted a solo application for funding by the application deadline established in the NOFA, may appeal the decision of the Continuum to HUD.

(2) *Notice of intent to appeal.* The solo applicant must submit a written notice of intent to appeal, with a copy to the Continuum, with their funding application.

(3) *Deadline for submitting proof.* No later than 30 days after the date that HUD announces the awards, the solo applicant shall submit in writing, with a copy to the Continuum, all relevant evidence supporting its claim, in such manner as HUD may require by Notice.

(4) *Response from the Continuum of Care.* The Continuum shall have 30 days from the date of its receipt of the solo applicant's evidence to respond to HUD in writing and in such manner as HUD may require, with a copy to the solo applicant.

(5) *Decision.* HUD will notify the solo applicant and the Continuum of its decision within 60 days of receipt of the Continuum's response.

(6) *Funding.* If HUD finds that the solo applicant was not permitted to participate in the Continuum of Care planning process in a reasonable manner, then HUD may award a grant to the solo applicant when funds next become available and may direct the Continuum of Care to

take remedial steps to ensure reasonable participation in the future. HUD may also reduce the award to the Continuum's applicant(s).

(c) *Denied or decreased funding.* (1) *Who may appeal.* Eligible applicants that are denied funds by HUD, or that requested more funds than HUD awarded to them, may appeal the award by filing a written appeal, in such form and manner as HUD may require by Notice, within 45 days of the date of HUD's announcement of the award.

(2) *Decision.* HUD will notify the applicant of its decision on the appeal within 60 days of HUD's receipt of the written appeal. HUD will reverse a decision only when the applicant can show that HUD error caused the denial or decrease.

(3) *Funding.* Awards and increases to awards made upon appeal will be made from next available funds.

(d) *Competing Continuums of Care.* (1) *In general.* If more than one Continuum of Care claims the same geographic area, HUD will award funds to the Continuum applicant(s) whose application(s) has the highest total score. No projects will be funded from the lower scoring Continuum. No projects that are submitted in two or more competing Continuum of Care applications will be funded.

(2) *Who may appeal.* The designated applicant(s) for the lower scoring Continuum may appeal HUD's decision to fund the application(s) from the competing Continuum by filing a written appeal, in such form and manner as HUD may require by Notice, within 45 days of the date of HUD's announcement of the award.

(3) *Decision.* HUD will notify the applicant(s) of its decision on the appeal within 60 days of the date of HUD's receipt of the written appeal. HUD will reverse a decision only upon a showing by the applicant that HUD error caused the denial.

(e) *Consolidated plan certification.* (1) *In general.* An applicant may appeal to HUD a jurisdiction's refusal to provide a certification of consistency with the Consolidated Plan.

(2) *Procedure.* The applicant must submit a written appeal with its application to HUD and send a copy of the appeal to the jurisdiction that denied the certification of consistency. The appeal must include, at a minimum:

(i) A copy of the applicant's request to the jurisdiction for the certification of consistency with the Consolidated Plan;

(ii) A copy of the jurisdiction's response stating the reasons for denial, including the reasons the proposed project is not consistent with the jurisdiction's Consolidated Plan in accordance with 24 CFR 91.500(c); and

(iii) A statement of the reasons why the applicant believes its project is consistent with the jurisdiction's Consolidated Plan.

(3) *Jurisdiction response.* The jurisdiction that refused to provide the certification of consistency with the jurisdiction's Consolidated Plan shall have 10 days after receipt of a copy of the appeal to submit a written explanation of the reasons originally given for refusing to provide the certification and a written rebuttal to any claims made by the applicant in the appeal.

(4) *HUD review.* (i) HUD will issue its decision within 45 days of the date of HUD's receipt of the jurisdiction's response. As part of its review, HUD will consider:

(A) Whether the applicant submitted the request to the appropriate political jurisdiction; and

(B) The reasonableness of the jurisdiction's refusal to provide the certificate.

(ii) If the jurisdiction did not provide written reasons for refusal, including the reasons why the project is not consistent with the jurisdiction's Consolidated Plan in its initial response to the applicant's request for a certification, HUD will find for the applicant without further inquiry or response from the political jurisdiction.

Subpart D—Program Components and Eligible Costs

§ 578.37 Program components and uses of assistance.

(a) Continuum of Care funds may be used to pay for the eligible costs listed in § 578.39 through § 578.63 when used to establish and operate projects under five program components: permanent housing; transitional housing; supportive services only; HMIS; and, in some cases, homelessness prevention. Although grant funds may be used by recipients and subrecipients in all components for the eligible costs of contributing data to the HMIS designated by the Continuum of Care, only HMIS Leads may use grant funds for an HMIS component. Administrative costs are eligible for all components. All components are subject to the restrictions on combining funds for certain eligible activities in a single project found in § 578.87(c). The eligible program components are:

(1) *Permanent housing (PH)*. Permanent housing is community-based housing, the purpose of which is to provide housing without a designated length of stay. Grant funds may be used for acquisition, rehabilitation, new construction, leasing, rental assistance, operating costs, and supportive services. PH includes:

(i) *Permanent supportive housing for persons with disabilities (PSH)*. PSH can only provide assistance to individuals with disabilities and families in which one adult or child has a disability. Supportive services designed to meet the needs of the program participants must be made available to the program participants.

(ii) *Rapid rehousing*. Continuum of Care funds may provide supportive services, as set forth in § 578.53, and/or short-term (up to 3 months) and/or medium-term (for 3 to 24 months) tenant-based rental assistance, as set forth in § 578.51(c), as necessary to help a homeless individual or family, with or without disabilities, move as quickly as possible into permanent housing and achieve stability in that housing. When providing short-term and/or medium-term rental assistance to program participants, the rental assistance is subject to § 578.51(a)(1), but not § 578.51(a)(1)(i) and (ii); (a)(2); (c) and (f) through (i); and (l)(1). These projects:

(A) Must follow the written policies and procedures established by the Continuum of Care for determining and prioritizing which eligible families and individuals will receive rapid rehousing assistance, as well as the amount or percentage of rent that each program participant must pay.

(B) May set a maximum amount or percentage of rental assistance that a program participant may receive, a maximum number of months that a program participant may receive rental assistance, and/or a maximum number of times that a program participant may receive rental assistance. The recipient or subrecipient may also require program participants to share in the costs of rent. For the purposes of calculating rent for rapid rehousing, the rent shall equal the sum of the total monthly rent for the unit and, if the tenant pays separately for utilities, the monthly allowance for utilities (excluding telephone) established by the public housing authority for the area in which the housing is located.

(C) Limit rental assistance to no more than 24 months to a household.

(D) May provide supportive services for no longer than 6 months after rental assistance stops.

(E) Must re-evaluate, not less than once annually, that the program participant lacks sufficient resources and support networks necessary to retain housing without Continuum of Care assistance and the types and amounts of assistance that the program participant needs to retain housing. The recipient or subrecipient may require each program participant receiving assistance to notify the recipient or subrecipient of changes in the program participant's income or other circumstances (e.g., changes in household composition) that affect the program participant's need for assistance. When notified of a relevant change, the recipient or subrecipient must reevaluate the program participant's eligibility and the amount and types of assistance that the program participant needs.

(F) Require the program participant to meet with a case manager not less than once per month to assist the program participant in ensuring long-term housing stability. The project is exempt from this requirement if the Violence Against Women Act of 1994 (42 U.S.C. 13925 *et seq.*) or the Family Violence Prevention and Services Act (42 U.S.C. 10401 *et seq.*) prohibits the

recipient carrying out the project from making its housing conditional on the participant's acceptance of services.

(2) *Transitional Housing (TH)*. Transitional housing facilitates the movement of homeless individuals and families to PH within 24 months of entering TH. Grant funds may be used for acquisition, rehabilitation, new construction, leasing, rental assistance, operating costs, and supportive services.

(3) *Supportive Service Only (SSO)*. Funds may be used for acquisition, rehabilitation, relocation costs, or leasing of a facility from which supportive services will be provided, and supportive services in order to provide supportive services to unsheltered and sheltered homeless persons for whom the recipient or subrecipient is not providing housing or housing assistance. SSO includes street outreach.

(4) *HMIS*. Funds may be used by HMIS Leads to lease a structure in which the HMIS is operated or as operating funds to operate a structure in which the HMIS is operated, and for other costs eligible in § 578.57.

(5) *Homelessness prevention*. Funds may be used by recipients in Continuums of Care-designated high-performing communities for housing relocation and stabilization services, and short- and/or medium-term rental assistance, as described in 24 CFR 576.105 and 24 CFR 576.106, that are necessary to prevent an individual or family from becoming homeless.

(b) *Uses of assistance*. Funds are available to pay for the eligible costs listed in § 578.39 through § 578.63 when used to:

- (1) Establish new housing or new facilities to provide supportive services;
- (2) Expand existing housing and facilities in order to increase the number of homeless persons served;
- (3) Bring existing housing and facilities into compliance with State and local government health and safety standards, as described in § 578.87;
- (4) Preserve existing permanent housing and facilities that provide supportive services;
- (5) Provide supportive services for residents of supportive housing or for homeless persons not residing in supportive housing;
- (6) Continue funding permanent housing when the recipient has received funding under this part for leasing, supportive services, operating costs, or rental assistance;
- (7) Establish and operate an HMIS or comparable database; and
- (8) Establish and carry out a Continuum of Care planning process and operate a Continuum of Care.

(c) *Multiple purposes*. Structures used to provide housing, supportive housing, supportive services, or as a facility for HMIS activities may also be used for other purposes. However, assistance under this part will be available only in proportion to the use of the structure for supportive housing or supportive services. If eligible and ineligible activities are carried out in separate portions of the same structure or in separate structures, grant funds may not be used to pay for more than the actual cost of acquisition, construction, or rehabilitation of the portion of the structure or structures used for eligible activities. If eligible and ineligible activities are carried out in the same structure, the costs will be prorated based on the amount of time that the space is used for eligible versus ineligible activities.

§ 578.39 Continuum of Care planning activities.

(a) *In general*. Collaborative applicants may use up to 3 percent of their FPRN, or a maximum amount to be established by the NOFA, for costs of:

- (1) Designing and carrying out a collaborative process for the development of an application to HUD;

(2) Evaluating the outcomes of projects for which funds are awarded in the geographic area under the Continuum of Care and the Emergency Solutions Grants programs; and

(3) Participating in the consolidated plan(s) for the geographic area(s).

(b) *Continuum of Care planning activities.* Eligible planning costs include the costs of:

(1) Developing a communitywide or regionwide process involving the coordination of nonprofit homeless providers, victim service providers, faith-based organizations, governments, businesses, advocates, public housing agencies, school districts, social service providers, mental health agencies, hospitals, universities, affordable housing developers, law enforcement, organizations that serve veterans, and homeless and formerly homeless individuals;

(2) Determining the geographic area that the Continuum of Care will serve;

(3) Developing a Continuum of Care system;

(4) Evaluating the outcomes of projects for which funds are awarded in the geographic area, including the Emergency Solutions Grants program;

(5) Participating in the consolidated plan(s) of the jurisdiction(s) in the geographic area; and

(6) Preparing and submitting an application to HUD on behalf of the entire Continuum of Care membership, including conducting a sheltered and unsheltered point-in-time count and other data collection as required by HUD.

(c) *Monitoring costs.* The costs of monitoring recipients and subrecipients and enforcing compliance with program requirements are eligible.

§ 578.41 Unified Funding Agency costs.

(a) *In general.* UFAs may use up to 3 percent of their FPRN, or a maximum amount to be established by the NOFA, whichever is less, for fiscal control and accounting costs necessary to assure the proper disbursement of, and accounting for, federal funds awarded to subrecipients under the Continuum of Care program.

(b) *UFA costs.* UFA costs include costs of ensuring that all financial transactions carried out under the Continuum of Care program are conducted and records are maintained in accordance with generally accepted accounting principles, including arranging for an annual survey, audit, or evaluation of the financial records of each project carried out by a subrecipient funded by a grant received through the Continuum of Care program.

(c) *Monitoring costs.* The costs of monitoring subrecipients and enforcing compliance with program requirements are eligible for costs.

§ 578.43 Acquisition.

Grant funds may be used to pay up to 100 percent of the cost of acquisition of real property selected by the recipient or subrecipient for use in the provision of housing or supportive services for homeless persons.

§ 578.45 Rehabilitation.

(a) *Use.* Grant funds may be used to pay up to 100 percent of the cost of rehabilitation of structures to provide housing or supportive services to homeless persons.

(b) *Eligible costs.* Eligible rehabilitation costs include installing cost-effective energy measures, and bringing an existing structure to State and local government health and safety standards.

(c) *Ineligible costs.* Grant funds may not be used for rehabilitation of leased property.

(d) *Broadband infrastructure.* Any substantial rehabilitation, as defined by 24 CFR 5.100, of a building with more than 4 rental units and funded by a grant awarded after January 19, 2017 must include installation of broadband infrastructure, as this term is also defined in 24 CFR 5.100, except where the grantee determines and, in accordance with § 578.103, documents the determination that:

- (1) The location of the substantial rehabilitation makes installation of broadband infrastructure infeasible;
- (2) The cost of installing broadband infrastructure would result in a fundamental alteration in the nature of its program or activity or in an undue financial burden; or
- (3) The structure of the housing to be substantially rehabilitated makes installation of broadband infrastructure infeasible.

[77 FR 45442, July 31, 2012, as amended at 81 FR 92637, Dec. 20, 2016]

§ 578.47 New construction.

(a) *Use.* Grant funds may be used to:

- (1) Pay up to 100 percent of the cost of new construction, including the building of a new structure or building an addition to an existing structure that increases the floor area by 100 percent or more, and the cost of land associated with that construction, for use as housing.
- (2) If grant funds are used for new construction, the applicant must demonstrate that the costs of new construction are substantially less than the costs of rehabilitation or that there is a lack of available appropriate units that could be rehabilitated at a cost less than new construction. For purposes of this cost comparison, costs of rehabilitation or new construction may include the cost of real property acquisition.

(b) *Ineligible costs.* Grant funds may not be used for new construction on leased property.

(c) *Broadband infrastructure.* Any new construction of a building with more than 4 rental units and funded by a grant awarded after January 19, 2017 must include installation of broadband infrastructure, as this term is defined in 24 CFR 5.100, except where the grantee determines and, in accordance with § 578.103, documents the determination that:

- (1) The location of the new construction makes installation of broadband infrastructure infeasible; or
- (2) The cost of installing broadband infrastructure would result in a fundamental alteration in the nature of its program or activity or in an undue financial burden.

§ 578.49 Leasing.

(a) *Use.* (1) Where the recipient or subrecipient is leasing the structure, or portions thereof, grant funds may be used to pay for 100 percent of the costs of leasing a structure or structures, or portions thereof, to provide housing or supportive services to homeless persons for up to 3 years. Leasing funds may not be used to lease units or structures owned by the recipient, subrecipient, their parent organization(s), any other related organization(s), or organizations that are members of a partnership, where the partnership owns the structure, unless HUD authorized an exception for good cause.

(2) Any request for an exception must include the following:

- (i) A description of how leasing these structures is in the best interest of the program;
- (ii) Supporting documentation showing that the leasing charges paid with grant funds are reasonable for the market; and
- (iii) A copy of the written policy for resolving disputes between the landlord and tenant, including a recusal for officers, agents, and staff who work for both the landlord and tenant.

(b) *Requirements.* (1) *Leasing structures.* When grants are used to pay rent for all or part of a structure or structures, the rent paid must be reasonable in relation to rents being charged in the

area for comparable space. In addition, the rent paid may not exceed rents currently being charged by the same owner for comparable unassisted space.

(2) *Leasing individual units.* When grants are used to pay rent for individual housing units, the rent paid must be reasonable in relation to rents being charged for comparable units, taking into account the location, size, type, quality, amenities, facilities, and management services. In addition, the rents may not exceed rents currently being charged for comparable units, and the rent paid may not exceed HUD-determined fair market rents.

(3) *Utilities.* If electricity, gas, and water are included in the rent, these utilities may be paid from leasing funds. If utilities are not provided by the landlord, these utility costs are an operating cost, except for supportive service facilities. If the structure is being used as a supportive service facility, then these utility costs are a supportive service cost.

(4) *Security deposits and first and last month's rent.* Recipients and subrecipients may use grant funds to pay security deposits, in an amount not to exceed 2 months of actual rent. An advance payment of the last month's rent may be provided to the landlord in addition to the security deposit and payment of the first month's rent.

(5) *Occupancy agreements and subleases.* Occupancy agreements and subleases are required as specified in § 578.77(a).

(6) *Calculation of occupancy charges and rent.* Occupancy charges and rent from program participants must be calculated as provided in § 578.77.

(7) *Program income.* Occupancy charges and rent collected from program participants are program income and may be used as provided under § 578.97.

(8) *Transition.* Beginning in the first year awards are made under the Continuum of Care program, renewals of grants for leasing funds entered into under the authority of title IV, subtitle D of the Act as it existed before May 20, 2009, will be renewed either as grants for leasing or as rental assistance, depending on the characteristics of the project. Leasing funds will be renewed as rental assistance if the funds are used to pay rent on units where the lease is between the program participant and the landowner or sublessor. Projects requesting leasing funds will be renewed as leasing if the funds were used to lease a unit or structure and the lease is between the recipient or subrecipient and the landowner.

§ 578.51 Rental assistance.

(a) *Use.* (1) Grant funds may be used for rental assistance for homeless individuals and families. Rental assistance cannot be provided to a program participant who is already receiving rental assistance, or living in a housing unit receiving rental assistance or operating assistance through other federal, State, or local sources.

(i) The rental assistance may be short-term, up to 3 months of rent; medium-term, for 3 to 24 months of rent; or long-term, for longer than 24 months of rent and must be administered in accordance with the policies and procedures established by the Continuum as set forth in § 578.7(a)(9) and this section.

(ii) The rental assistance may be tenant-based, project-based, or sponsor-based, and may be for transitional or permanent housing.

(2) Grant funds may be used for security deposits in an amount not to exceed 2 months of rent. An advance payment of the last month's rent may be provided to the landlord, in addition to the security deposit and payment of first month's rent.

(b) *Rental assistance administrator.* Rental assistance must be administered by a State, unit of general local government, or a public housing agency.

(c) *Tenant-based rental assistance.* Tenant-based rental assistance is rental assistance in which program participants choose housing of an appropriate size in which to reside. Up to 5 years' worth of rental assistance may be awarded to a project in one competition.

(1) When necessary to facilitate the coordination of supportive services, recipients and subrecipients may require program participants to live in a specific area for their entire period of participation, or in a specific structure for the first year and in a specific area for the remainder of their period of participation. Program participants who are receiving rental assistance in transitional housing may be required to live in a specific structure for their entire period of participation in transitional housing.

(2) Program participants who have complied with all program requirements during their residence retain the rental assistance if they move.

(3) Program participants who have complied with all program requirements during their residence, who have been a victim of domestic violence, dating violence, sexual assault, or stalking, who reasonably believe they are imminently threatened by harm from further domestic violence, dating violence, sexual assault, or stalking (which would include threats from a third party, such as a friend or family member of the perpetrator of the violence) if they remain in the assisted unit, and who are able to document the violence and basis for their belief, may retain the rental assistance and move to a different Continuum of Care geographic area if they move out of the assisted unit to protect their health and safety. These program participants may move to a different Continuum of Care's geographic service area even if the recipient or subrecipient cannot meet all regulatory requirements of this part in the new geographic area where the unit is located. The recipient or subrecipient, however, must be able to meet all statutory requirements of the Continuum of Care program either directly or through a third-party contract or agreement.

(4) Program participants other than those described in paragraph (c)(3) of this section may choose housing outside of the Continuum of Care's geographic area if the recipient or subrecipient, through its employees or contractors, is able to meet all requirements of this part in the geographic area where the program participant chooses housing. If the recipient or subrecipient is unable to meet the requirements of this part, either directly or through a third-party contract or agreement, the recipient or subrecipient may refuse to permit the program participant to retain the tenant-based rental assistance if the program participant chooses to move outside of the Continuum of Care's geographic area.

(d) *Sponsor-based rental assistance.* Sponsor-based rental assistance is provided through contracts between the recipient and sponsor organization. A sponsor may be a private, nonprofit organization, or a community mental health agency established as a public nonprofit organization. Program participants must reside in housing owned or leased by the sponsor. Up to 5 years worth of rental assistance may be awarded to a project in one competition.

(e) *Project-based rental assistance.* Project-based rental assistance is provided through a contract with the owner of an existing structure, where the owner agrees to lease the subsidized units to program participants. Program participants will not retain rental assistance if they move. Up to 15 years of rental assistance may be awarded in one competition.

(f) *Grant amount.* The amount of rental assistance in each project will be based on the number and size of units proposed by the applicant to be assisted over the grant period. The amount of rental assistance in each project will be calculated by multiplying the number and size of units proposed by the FMR of each unit on the date the application is submitted to HUD, by the term of the grant.

(g) *Rent reasonableness.* HUD will only provide rental assistance for a unit if the rent is reasonable. The recipient or subrecipient must determine whether the rent charged for the unit receiving rental assistance is reasonable in relation to rents being charged for comparable unassisted units, taking into account the location, size, type, quality, amenities, facilities, and management and maintenance of each unit. Reasonable rent must not exceed rents currently being charged by the same owner for comparable unassisted units.

(h) *Payment of grant.* (1) The amount of rental assistance in each project will be reserved for rental assistance over the grant period. An applicant's request for rental assistance in each grant is an estimate of the amount needed for rental assistance. Recipients will make draws from the grant funds to pay the actual costs of rental assistance for program participants.

(2) For tenant-based rental assistance, on demonstration of need:

(i) Up to 25 percent of the total rental assistance awarded may be spent in any year of a 5-year grant term; or

(ii) A higher percentage if approved in advance by HUD, if the recipient provides evidence satisfactory to HUD that it is financially committed to providing the housing assistance described in the application for the full 5-year period.

(3) A recipient must serve at least as many program participants as shown in its application for assistance.

(4) If the amount in each grant reserved for rental assistance over the grant period exceeds the amount that will be needed to pay the actual costs of rental assistance, due to such factors as contract rents being lower than FMRs and program participants being able to pay a portion of the rent, recipients or subrecipients may use the excess funds for covering the costs of rent increases, or for serving a greater number of program participants.

(i) *Vacancies.* If a unit assisted under this section is vacated before the expiration of the lease, the assistance for the unit may continue for a maximum of 30 days from the end of the month in which the unit was vacated, unless occupied by another eligible person. No additional assistance will be paid until the unit is occupied by another eligible person. Brief periods of stays in institutions, not to exceed 90 days for each occurrence, are not considered vacancies.

(j) *Property damage.* Recipients and subrecipients may use grant funds in an amount not to exceed one month's rent to pay for any damage to housing due to the action of a program participant. This shall be a one-time cost per participant, incurred at the time a participant exits a housing unit.

(k) *Resident rent.* Rent must be calculated as provided in § 578.77. Rents collected from program participants are program income and may be used as provided under § 578.97.

(l) *Leases.* (1) *Initial lease.* For project-based, sponsor-based, or tenant-based rental assistance, program participants must enter into a lease agreement for a term of at least one year, which is terminable for cause. The leases must be automatically renewable upon expiration for terms that are a minimum of one month long, except on prior notice by either party.

(2) *Initial lease for transitional housing.* Program participants in transitional housing must enter into a lease agreement for a term of at least one month. The lease must be automatically renewable upon expiration, except on prior notice by either party, up to a maximum term of 24 months.

(m) *VAWA emergency transfer plan costs.* Recipients and subrecipients of grants for tenant-based rental assistance may use grant funds to pay amounts owed for breaking the lease if the family qualifies for an emergency transfer under the emergency transfer plan established under § 578.99(j)(8).

HUD will publish the application to be designated an HPC through the HUD Web site, for public comment as to whether the Continuum seeking designation as an HPC meets the standards for being one.

§ 578.69 Cooperation among entities.

An HPC must cooperate with HUD in distributing information about its successful efforts to reduce homelessness.

§ 578.71 HPC-eligible activities.

In addition to using grant funds for the eligible costs described in subpart D of this part, recipients and subrecipients in Continuums of Care designated as HPCs may also use grant funds to provide housing relocation and stabilization services and short- and/or medium-term rental assistance to individuals and families at risk of homelessness as set forth in 24 CFR 576.103 and 24 CFR 576.104, if necessary to prevent the individual or family from becoming homeless. Activities must be carried out in accordance with the plan submitted in the application. When carrying out housing relocation and stabilization services and short- and/or medium-term rental assistance, the written standards set forth in § 578.7(a)(9)(v) and recordkeeping requirements of 24 CFR 576.500 apply.

Subpart F—Program Requirements

§ 578.73 Matching requirements.

(a) *In general.* The recipient or subrecipient must match all grant funds, except for leasing funds, with no less than 25 percent of funds or in-kind contributions from other sources. For Continuum of Care geographic areas in which there is more than one grant agreement, the 25 percent match must be provided on a grant-by-grant basis. Recipients that are UFAs or are the sole recipient for their Continuum, may provide match on a Continuum-wide basis. Cash match must be used for the costs of activities that are eligible under subpart D of this part, except that HPCs may use such match for the costs of activities that are eligible under § 578.71.

(b) *Cash sources.* Notwithstanding 2 CFR 200.306(b)(5), a recipient or subrecipient may use funds from any source, including any other federal sources (excluding Continuum of Care program funds), as well as State, local, and private sources, provided that funds from the source are not statutorily prohibited to be used as a match. The recipient must ensure that any funds

used to satisfy the matching requirements of this section are eligible under the laws governing the funds in order to be used as matching funds for a grant awarded under this program.

(c) *In-kind contributions.* (1) The recipient or subrecipient may use the value of any real property, equipment, goods, or services contributed to the project as match, provided that if the recipient or subrecipient had to pay for them with grant funds, the costs would have been eligible under Subpart D, or, in the case of HPCs, eligible under § 578.71.

(2) The requirements of 2 CFR 200.306, with the exception of § 200.306(b)(5) apply.

(3) Before grant execution, services to be provided by a third party must be documented by a memorandum of understanding (MOU) between the recipient or subrecipient and the third party that will provide the services. Services provided by individuals must be valued at rates consistent with those ordinarily paid for similar work in the recipient's or subrecipient's organization. If the recipient or subrecipient does not have employees performing similar work, the rates must be consistent with those ordinarily paid by other employers for similar work in the same labor market.

(i) The MOU must establish the unconditional commitment, except for selection to receive a grant, by the third party to provide the services, the specific service to be provided, the profession of the persons providing the service, and the hourly cost of the service to be provided.

(ii) During the term of the grant, the recipient or subrecipient must keep and make available, for inspection, records documenting the service hours provided.

[77 FR 45442, July 31, 2012, as amended at 80 FR 75940, Dec. 7, 2015]

§ 578.75 General operations.

(a) *State and local requirements.* (1) Housing and facilities constructed or rehabilitated with assistance under this part must meet State or local building codes, and in the absence of State or local building codes, the International Residential Code or International Building Code (as applicable to the type of structure) of the International Code Council.

(2) Services provided with assistance under this part must be provided in compliance with all applicable State and local requirements, including licensing requirements.

(b) *Housing quality standards.* Housing leased with Continuum of Care program funds, or for which rental assistance payments are made with Continuum of Care program funds, must meet the applicable housing quality standards (HQS) under 24 CFR 982.401 of this title, except that 24 CFR 982.401(j) applies only to housing occupied by program participants receiving tenant-based rental assistance. For housing rehabilitated with funds under this part, the lead-based paint requirements in 24 CFR part 35, subparts A, B, J, and R apply. For housing that receives project-based or sponsor-based rental assistance, 24 CFR part 35, subparts A, B, H, and R apply. For residential property for which funds under this part are used for acquisition, leasing, services, or operating costs, 24 CFR part 35, subparts A, B, K, and R apply.

(1) Before any assistance will be provided on behalf of a program participant, the recipient, or subrecipient, must physically inspect each unit to assure that the unit meets HQS. Assistance will not be provided for units that fail to meet HQS, unless the owner corrects any deficiencies within 30 days from the date of the initial inspection and the recipient or subrecipient verifies that all deficiencies have been corrected.

(2) Recipients or subrecipients must inspect all units at least annually during the grant period to ensure that the units continue to meet HQS.

(c) *Suitable dwelling size.* The dwelling unit must have at least one bedroom or living/sleeping room for each two persons.

(1) Children of opposite sex, other than very young children, may not be required to occupy the same bedroom or living/sleeping room.

(2) If household composition changes during the term of assistance, recipients and subrecipients may relocate the household to a more appropriately sized unit. The household must still have access to appropriate supportive services.

(d) *Meals*. Each recipient and subrecipient of assistance under this part who provides supportive housing for homeless persons with disabilities must provide meals or meal preparation facilities for residents.

(e) *Ongoing assessment of supportive services*. To the extent practicable, each project must provide supportive services for residents of the project and homeless persons using the project, which may be designed by the recipient or participants. Each recipient and subrecipient of assistance under this part must conduct an ongoing assessment of the supportive services needed by the residents of the project, the availability of such services, and the coordination of services needed to ensure long-term housing stability and must make adjustments, as appropriate.

(f) *Residential supervision*. Each recipient and subrecipient of assistance under this part must provide residential supervision as necessary to facilitate the adequate provision of supportive services to the residents of the housing throughout the term of the commitment to operate supportive housing. Residential supervision may include the employment of a full- or part-time residential supervisor with sufficient knowledge to provide or to supervise the provision of supportive services to the residents.

(g) *Participation of homeless individuals*. (1) Each recipient and subrecipient must provide for the participation of not less than one homeless individual or formerly homeless individual on the board of directors or other equivalent policymaking entity of the recipient or subrecipient, to the extent that such entity considers and makes policies and decisions regarding any project, supportive services, or assistance provided under this part. This requirement is waived if a recipient or subrecipient is unable to meet such requirement and obtains HUD approval for a plan to otherwise consult with homeless or formerly homeless persons when considering and making policies and decisions.

(2) Each recipient and subrecipient of assistance under this part must, to the maximum extent practicable, involve homeless individuals and families through employment; volunteer services; or otherwise in constructing, rehabilitating, maintaining, and operating the project, and in providing supportive services for the project.

(h) *Supportive service agreement*. Recipients and subrecipients may require the program participants to take part in supportive services that are not disability-related services provided through the project as a condition of continued participation in the program. Examples of disability-related services include, but are not limited to, mental health services, outpatient health services, and provision of medication, which are provided to a person with a disability to address a condition caused by the disability. Notwithstanding this provision, if the purpose of the project is to provide substance abuse treatment services, recipients and subrecipients may require program participants to take part in such services as a condition of continued participation in the program.

(i) *Retention of assistance after death, incarceration, or institutionalization for more than 90 days of qualifying member*. For permanent supportive housing projects surviving, members of any household who were living in a unit assisted under this part at the time of the qualifying member's death, long-term incarceration, or long-term institutionalization, have the right to rental assistance under this section until the expiration of the lease in effect at the time of the qualifying member's death, long-term incarceration, or long-term institutionalization.

(j) *Remaining program participants following bifurcation of a lease or eviction as a result of domestic violence*. For permanent supportive housing projects, members of any household who were living in a unit assisted under this part at the time of a qualifying member's eviction from the unit because the qualifying member was found to have engaged in criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking, have the right to rental assistance under this section until the expiration of the lease in effect at the time of the qualifying member's eviction.

§ 578.77 Calculating occupancy charges and rent.

(a) *Occupancy agreements and leases.* Recipients and subrecipients must have signed occupancy agreements or leases (or subleases) with program participants residing in housing.

(b) *Calculation of occupancy charges.* Recipients and subrecipients are not required to impose occupancy charges on program participants as a condition of residing in the housing. However, if occupancy charges are imposed, they may not exceed the highest of:

(1) 30 percent of the family's monthly adjusted income (adjustment factors include the number of people in the family, age of family members, medical expenses, and child-care expenses);

(2) 10 percent of the family's monthly income; or

(3) If the family is receiving payments for welfare assistance from a public agency and a part of the payments (adjusted in accordance with the family's actual housing costs) is specifically designated by the agency to meet the family's housing costs, the portion of the payments that is designated for housing costs.

(4) *Income.* Income must be calculated in accordance with 24 CFR 5.609 and 24 CFR 5.611(a). Recipients and subrecipients must examine a program participant's income initially, and if there is a change in family composition (e.g., birth of a child) or a decrease in the resident's income during the year, the resident may request an interim reexamination, and the occupancy charge will be adjusted accordingly.

(c) *Resident rent.* (1) *Amount of rent.* (i) Each program participant on whose behalf rental assistance payments are made must pay a contribution toward rent in accordance with section 3(a)(1) of the U.S. Housing Act of 1937 (42 U.S.C. 1437a(a)(1)).

(ii) Income of program participants must be calculated in accordance with 24 CFR 5.609 and 24 CFR 5.611(a).

(2) *Review.* Recipients or subrecipients must examine a program participant's income initially, and at least annually thereafter, to determine the amount of the contribution toward rent payable by the program participant. Adjustments to a program participant's contribution toward the rental payment must be made as changes in income are identified.

(3) *Verification.* As a condition of participation in the program, each program participant must agree to supply the information or documentation necessary to verify the program participant's income. Program participants must provide the recipient or subrecipient with information at any time regarding changes in income or other circumstances that may result in changes to a program participant's contribution toward the rental payment.

§ 578.79 Limitation on transitional housing.

A homeless individual or family may remain in transitional housing for a period longer than 24 months, if permanent housing for the individual or family has not been located or if the individual or family requires additional time to prepare for independent living. However, HUD may discontinue assistance for a transitional housing project if more than half of the homeless individuals or families remain in that project longer than 24 months.

§ 578.81 Term of commitment, repayment of grants, and prevention of undue benefits.

(a) *In general.* All recipients and subrecipients receiving grant funds for acquisition, rehabilitation, or new construction must operate the housing or provide supportive services in accordance with this part, for at least 15 years from the date of initial occupancy or date of initial service provision. Recipient and subrecipients must execute and record a HUD-approved Declaration of Restrictive Covenants before receiving payment of grant funds.

(b) *Conversion*. Recipients and subrecipients carrying out a project that provides transitional or permanent housing or supportive services in a structure may submit a request to HUD to convert a project for the direct benefit of very low-income persons. The request must be made while the project is operating as homeless housing or supportive services for homeless individuals and families, must be in writing, and must include an explanation of why the project is no longer needed to provide transitional or permanent housing or supportive services. The primary factor in HUD's decision on the proposed conversion is the unmet need for transitional or permanent housing or supportive services in the Continuum of Care's geographic area.

(c) *Repayment of grant funds*. If a project is not operated as transitional or permanent housing for 10 years following the date of initial occupancy, HUD will require repayment of the entire amount of the grant used for acquisition, rehabilitation, or new construction, unless conversion of the project has been authorized under paragraph (b) of this section. If the housing is used for such purposes for more than 10 years, the payment amount will be reduced by 20 percentage points for each year, beyond the 10-year period in which the project is used for transitional or permanent housing.

(d) *Prevention of undue benefits*. Except as provided under paragraph (e) of this section, upon any sale or other disposition of a project site that received grant funds for acquisition, rehabilitation, or new construction, occurring before the 15-year period, the recipient must comply with such terms and conditions as HUD may prescribe to prevent the recipient or subrecipient from unduly benefiting from such sale or disposition.

(e) *Exception*. A recipient or subrecipient will not be required to comply with the terms and conditions prescribed under paragraphs (c) and (d) of this section if:

(1) The sale or disposition of the property used for the project results in the use of the property for the direct benefit of very low-income persons;

(2) All the proceeds are used to provide transitional or permanent housing that meet the requirements of this part;

(3) Project-based rental assistance or operating cost assistance from any federal program or an equivalent State or local program is no longer made available and the project is meeting applicable performance standards, provided that the portion of the project that had benefitted from such assistance continues to meet the tenant income and rent restrictions for low-income units under section 42(g) of the Internal Revenue Code of 1986; or

(4) There are no individuals and families in the Continuum of Care geographic area who are homeless, in which case the project may serve individuals and families at risk of homelessness.

§ 578.83 Displacement, relocation, and acquisition.

(a) *Minimizing displacement*. Consistent with the other goals and objectives of this part, recipients and subrecipients must ensure that they have taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of projects assisted under this part. "Project," as used in this section, means any activity or series of activities assisted with Continuum of Care funds received or anticipated in any phase of an undertaking.

(b) *Temporary relocation*. (1) *Existing Building Not Assisted under Title IV of the McKinney-Vento Act*. No tenant may be required to relocate temporarily for a project if the building in which the project is being undertaken or will be undertaken is not currently assisted under Title IV of the McKinney-Vento Act. The absence of such assistance to the building means the tenants are not homeless and the tenants are therefore not eligible to receive assistance under the Continuum of Care program. When a tenant moves for such a project under conditions that cause the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA), 42 U.S.C. 4601-4655, to apply, the tenant must be treated as permanently displaced and offered relocation assistance and payments consistent with paragraph (c) of this section.

(2) *Existing Transitional Housing or Permanent Housing Projects Assisted Under Title IV of the McKinney-Vento Act*. Consistent with paragraph (c)(2)(ii) of this section, no program participant may be required to relocate temporarily for a project if the person cannot be offered a decent,

safe, and sanitary unit in the same building or complex upon project completion under reasonable terms and conditions. The length of occupancy requirements in § 578.79 may prevent a program participant from returning to the property upon completion (See paragraph (c)(2)(iii)(D) of this section). Any program participant who has been temporarily relocated for a period beyond one year must be treated as permanently displaced and offered relocation assistance and payments consistent with paragraph (c) of this section. Program participants temporarily relocated in accordance with the policies described in this paragraph must be provided:

(i) Reimbursement for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including the cost of moving to and from the temporarily occupied housing and any increase in monthly rent/occupancy charges and utility costs; and

(ii) Appropriate advisory services, including reasonable advance written notice of:

(A) The date and approximate duration of the temporary relocation;

(B) The location of the suitable, decent, safe, and sanitary dwelling to be made available for the temporary period;

(C) The reasonable terms and conditions under which the program participant will be able to occupy a suitable, decent, safe, and sanitary dwelling in the building or complex upon completion of the project; and

(D) The provisions of paragraph (b)(2)(i) of this section.

(c) *Relocation assistance for displaced persons.* (1) *In general.* A displaced person (defined in paragraph (c)(2) of this section) must be provided relocation assistance in accordance with the requirements of the URA and implementing regulations at 49 CFR part 24. A displaced person must be advised of his or her rights under the Fair Housing Act. Whenever possible, minority persons must be given reasonable opportunities to relocate to decent, safe, and sanitary replacement dwellings, not located in an area of minority concentration, that are within their financial means. This policy, however, does not require providing a person a larger payment than is necessary to enable a person to relocate to a comparable replacement dwelling. See 49 CFR 24.205(c)(2)(ii)(D).

(2) *Displaced person.* (i) For the purposes of paragraph (c) of this section, the term “displaced person” means any person (family, individual, business, nonprofit organization, or farm) that moves from real property, or moves personal property from real property, permanently, as a direct result of acquisition, rehabilitation, or demolition for a project. This includes any permanent, involuntary move for a project, including any permanent move from the real property that is made:

(A) After the owner (or person in control of the site) issues a notice to move permanently from the property, or refuses to renew an expiring lease, if the move occurs after the date of the submission by the recipient or subrecipient of an application for assistance to HUD (or the recipient, as applicable) that is later approved and funded and the recipient or subrecipient has site control as evidenced in accordance with § 578.25(b); or

(B) After the owner (or person in control of the site) issues a notice to move permanently from the property, or refuses to renew an expiring lease, if the move occurs after the date the recipient or subrecipient obtains site control, as evidenced in accordance with § 578.25(b), if that occurs after the application for assistance; or

(C) Before the date described under paragraph (c)(2)(i)(A) or (B) of this section, if the recipient or HUD determines that the displacement resulted directly from acquisition, rehabilitation, or demolition for the project; or

(D) By a tenant of a building that is not assisted under Title IV of the McKinney-Vento Act, if the tenant moves after execution of the agreement covering the acquisition, rehabilitation, or demolition of the property for the project; or

(ii) For the purposes of paragraph (c) of this section, the term “displaced person” means any person (family, individual, business, nonprofit organization, or farm) that moves from real

property, or moves personal property from real property, permanently, as a direct result of acquisition, rehabilitation, or demolition for a project. This includes any permanent, involuntary move for a project that is made by a program participant occupying transitional housing or permanent housing assisted under Title IV of the McKinney-Vento Act, if any one of the following three situations occurs:

(A) The program participant moves after execution of the agreement covering the acquisition, rehabilitation, or demolition of the property for the project and is either not eligible to return upon project completion or the move occurs before the program participant is provided written notice offering the program participant an opportunity to occupy a suitable, decent, safe, and sanitary dwelling in the same building or complex upon project completion under reasonable terms and conditions. Such reasonable terms and conditions must include a lease (or occupancy agreement, as applicable) consistent with Continuum of Care program requirements, including a monthly rent or occupancy charge and monthly utility costs that does not exceed the maximum amounts established in § 578.77; or

(B) The program participant is required to relocate temporarily, does not return to the building or complex, and any one of the following situations occurs:

(1) The program participant is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation;

(2) The program participant is not eligible to return to the building or complex upon project completion; or

(3) Other conditions of the temporary relocation are not reasonable; or

(C) The program participant is required to move to another unit in the same building or complex, and any one of the following situations occurs:

(1) The program participant is not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move;

(2) The program participant is not eligible to remain in the building or complex upon project completion; or

(3) Other conditions of the move are not reasonable.

(iii) Notwithstanding the provisions of paragraph (c)(2)(i) or (ii) of this section, a person does not qualify as a “displaced person” if:

(A) The person has been evicted for serious or repeated violation of the terms and conditions of the lease or occupancy agreement; the eviction complied with applicable federal, State, or local requirements (see § 578.91); and the recipient or subrecipient determines that the eviction was not undertaken for the purpose of evading the obligation to provide relocation assistance;

(B) The person moved into the property after the submission of the application but, before signing a lease or occupancy agreement and commencing occupancy, was provided written notice of the project's possible impact on the person (e.g., the person may be displaced, temporarily relocated, or incur a rent increase) and the fact that the person would not qualify as a “displaced person” (or for any relocation assistance provided under this section), as a result of the project;

(C) The person is ineligible under 49 CFR 24.2(a)(9)(ii);

(D) The person is a program participant occupying transitional housing or permanent housing assisted under Title IV of the Act who must move as a direct result of the length-of- occupancy restriction under § 578.79; or

(E) HUD determines that the person was not displaced as a direct result of acquisition, rehabilitation, or demolition for the project.

(iv) The recipient may request, at any time, HUD's determination of whether a displacement is or would be covered under this section.

(3) *Initiation of negotiations.* For purposes of determining the formula for computing replacement housing payment assistance to be provided to a displaced person pursuant to this section, if the displacement is a direct result of privately undertaken rehabilitation, demolition, or acquisition of the real property, "initiation of negotiations" means the execution of the agreement between the recipient and the subrecipient, or between the recipient (or subrecipient, as applicable) and the person owning or controlling the property. In the case of an option contract to acquire property, the initiation of negotiations does not become effective until execution of a written agreement that creates a legally enforceable commitment to proceed with the purchase, such as a purchase agreement.

(d) *Real property acquisition requirements.* Except for acquisitions described in 49 CFR 24.101(b)(1) through (5), the URA and the requirements of 49 CFR part 24, subpart B apply to any acquisition of real property for a project where there are Continuum of Care funds in any part of the project costs.

(e) *Appeals.* A person who disagrees with the recipient's (or subrecipient's, if applicable) determination concerning whether the person qualifies as a displaced person, or the amount of relocation assistance for which the person is eligible, may file a written appeal of that determination with the recipient (see 49 CFR 24.10). A low-income person who is dissatisfied with the recipient's determination on his or her appeal may submit a written request for review of that determination to the local HUD field office.

§ 578.85 Timeliness standards.

(a) *In general.* Recipients must initiate approved activities and projects promptly.

(b) *Construction activities.* Recipients of funds for rehabilitation or new construction must meet the following standards:

(1) Construction activities must begin within 9 months of the later of signing of the grant agreement or of signing an addendum to the grant agreement authorizing use of grant funds for the project.

(2) Construction activities must be completed within 24 months of signing the grant agreement.

(3) Activities that cannot begin until after construction activities are completed must begin within 3 months of the date that construction activities are completed.

(c) *Distribution.* A recipient that receives funds through this part must:

(1) Distribute the funds to subrecipients (in advance of expenditures by the subrecipients);

(2) Distribute the appropriate portion of the funds to a subrecipient no later than 45 days after receiving an approvable request for such distribution from the subrecipient; and

(3) Draw down funds at least once per quarter of the program year, after eligible activities commence.

§ 578.87 Limitation on use of funds.

(a) *Maintenance of effort.* No assistance provided under this part (or any State or local government funds used to supplement this assistance) may be used to replace State or local funds previously used, or designated for use, to assist homeless persons.

(b) *Equal participation of faith-based organizations.* The HUD program requirements in § 5.109 apply to the Continuum of Care program, including the requirements regarding disposition and change in use of real property by a faith-based organization.

(c) *Restriction on combining funds.* In a single structure or housing unit, the following types of assistance may not be combined:

(1) Leasing and acquisition, rehabilitation, or new construction;

(2) Tenant-based rental assistance and acquisition, rehabilitation, or new construction;

(3) Short- or medium-term rental assistance and acquisition, rehabilitation, or new construction;

(4) Rental assistance and leasing; or

(5) Rental assistance and operating.

(d) *Program fees.* Recipients and subrecipients may not charge program participants program fees.

[77 FR 45442, July 31, 2012, as amended at 80 FR 75804, Dec. 4, 2015; 80 FR 75940, Dec. 7, 2015; 81 FR 19418, Apr. 4, 2016]

§ 578.89 Limitation on use of grant funds to serve persons defined as homeless under other federal laws.

(a) *Application requirement.* Applicants that intend to serve unaccompanied youth and families with children and youth defined as homeless under other federal laws in paragraph (3) of the homeless definition in § 576.2 must demonstrate in their application, to HUD's satisfaction, that the use of grant funds to serve such persons is an equal or greater priority than serving persons defined as homeless under paragraphs (1), (2), and (4) of the definition of homeless in § 576.2. To demonstrate that it is of equal or greater priority, applicants must show that it is equally or more cost effective in meeting the overall goals and objectives of the plan submitted under section 427(b)(1)(B) of the Act, especially with respect to children and unaccompanied youth.

(b) *Limit.* No more than 10 percent of the funds awarded to recipients within a single Continuum of Care's geographic area may be used to serve such persons.

(c) *Exception.* The 10 percent limitation does not apply to Continuums in which the rate of homelessness, as calculated in the most recent point-in-time count, is less than one-tenth of one percent of the total population.

§ 578.91 Termination of assistance to program participants.

(a) *Termination of assistance.* The recipient or subrecipient may terminate assistance to a program participant who violates program requirements or conditions of occupancy. Termination under this section does not bar the recipient or subrecipient from providing further assistance at a later date to the same individual or family.

(b) *Due process.* In terminating assistance to a program participant, the recipient or subrecipient must provide a formal process that recognizes the rights of individuals receiving assistance under the due process of law. This process, at a minimum, must consist of:

(1) Providing the program participant with a written copy of the program rules and the termination process before the participant begins to receive assistance;

(2) Written notice to the program participant containing a clear statement of the reasons for termination;

(3) A review of the decision, in which the program participant is given the opportunity to present written or oral objections before a person other than the person (or a subordinate of that person) who made or approved the termination decision; and

(4) Prompt written notice of the final decision to the program participant.

(c) *Hard-to-house populations.* Recipients and subrecipients that are providing permanent supportive housing for hard-to-house populations of homeless persons must exercise judgment and examine all extenuating circumstances in determining when violations are serious enough to warrant termination so that a program participant's assistance is terminated only in the most severe cases.

§ 578.93 Fair Housing and Equal Opportunity.

(a) *Nondiscrimination and equal opportunity requirements.* The nondiscrimination and equal opportunity requirements set forth in 24 CFR 5.105(a) are applicable.

(b) *Housing for specific subpopulations.* Recipients and subrecipients may exclusively serve a particular homeless subpopulation in transitional or permanent housing if the housing addresses a need identified by the Continuum of Care for the geographic area and meets one of the following:

(1) The housing may be limited to one sex where such housing consists of a single structure with shared bedrooms or bathing facilities such that the considerations of personal privacy and the physical limitations of the configuration of the housing make it appropriate for the housing to be limited to one sex;

(2) The housing may be limited to a specific subpopulation, so long as admission does not discriminate against any protected class under federal nondiscrimination laws in 24 CFR 5.105 (e.g., the housing may be limited to homeless veterans, victims of domestic violence and their children, or chronically homeless persons and families).

(3) The housing may be limited to families with children.

(4) If the housing has in residence at least one family with a child under the age of 18, the housing may exclude registered sex offenders and persons with a criminal record that includes a violent crime from the project so long as the child resides in the housing.

(5) Sober housing may exclude persons who refuse to sign an occupancy agreement or lease that prohibits program participants from possessing, using, or being under the influence of illegal substances and/or alcohol on the premises.

(6) If the housing is assisted with funds under a federal program that is limited by federal statute or Executive Order to a specific subpopulation, the housing may be limited to that subpopulation (e.g., housing also assisted with funding from the Housing Opportunities for Persons with AIDS program under 24 CFR part 574 may be limited to persons with acquired immunodeficiency syndrome or related diseases).

(7) Recipients may limit admission to or provide a preference for the housing to subpopulations of homeless persons and families who need the specialized supportive services that are provided in the housing (e.g., substance abuse addiction treatment, domestic violence services, or a high intensity package designed to meet the needs of hard-to-reach homeless persons). While the housing may offer services for a particular type of disability, no otherwise eligible individuals with disabilities or families including an individual with a disability, who may benefit from the services provided may be excluded on the grounds that they do not have a particular disability.

(c) *Affirmatively furthering fair housing.* A recipient must implement its programs in a manner that affirmatively furthers fair housing, which means that the recipient must:

(1) Affirmatively market their housing and supportive services to eligible persons regardless of race, color, national origin, religion, sex, age, familial status, or handicap who are least likely to apply in the absence of special outreach, and maintain records of those marketing activities;

(2) Where a recipient encounters a condition or action that impedes fair housing choice for current or prospective program participants, provide such information to the jurisdiction that provided the certification of consistency with the Consolidated Plan; and

(3) Provide program participants with information on rights and remedies available under applicable federal, State and local fair housing and civil rights laws.

(d) *Accessibility and integrative housing and services for persons with disabilities.* Recipients and subrecipients must comply with the accessibility requirements of the Fair Housing Act (24 CFR part 100), Section 504 of the Rehabilitation Act of 1973 (24 CFR part 8), and Titles II and III of the Americans with Disabilities Act, as applicable (28 CFR parts 35 and 36). In accordance with the requirements of 24 CFR 8.4(d), recipients must ensure that their program's housing and supportive services are provided in the most integrated setting appropriate to the needs of persons with disabilities.

(e) *Prohibition against involuntary family separation.* The age and gender of a child under age 18 must not be used as a basis for denying any family's admission to a project that receives funds under this part.

§ 578.95 Conflicts of interest.

(a) *Procurement.* For the procurement of property (goods, supplies, or equipment) and services, the recipient and its subrecipients must comply with the standards of conduct and conflict-of-interest requirements under 2 CFR 200.317 and 200.318.

(b) *Continuum of Care board members.* No Continuum of Care board member may participate in or influence discussions or resulting decisions concerning the award of a grant or other financial benefits to the organization that the member represents.

(c) *Organizational conflict.* An organizational conflict of interest arises when, because of activities or relationships with other persons or organizations, the recipient or subrecipient is unable or potentially unable to render impartial assistance in the provision of any type or amount of assistance under this part, or when a covered person's, as in paragraph (d)(1) of this section, objectivity in performing work with respect to any activity assisted under this part is or might be otherwise impaired. Such an organizational conflict would arise when a board member of an applicant participates in decision of the applicant concerning the award of a grant, or provision of other financial benefits, to the organization that such member represents. It would also arise when an employee of a recipient or subrecipient participates in making rent reasonableness determinations under § 578.49(b)(2) and § 578.51(g) and housing quality inspections of property under § 578.75(b) that the recipient, subrecipient, or related entity owns.

(d) *Other conflicts.* For all other transactions and activities, the following restrictions apply:

(1) No covered person, meaning a person who is an employee, agent, consultant, officer, or elected or appointed official of the recipient or its subrecipients and who exercises or has exercised any functions or responsibilities with respect to activities assisted under this part, or who is in a position to participate in a decision-making process or gain inside information with regard to activities assisted under this part, may obtain a financial interest or benefit from an assisted activity, have a financial interest in any contract, subcontract, or agreement with respect to an assisted activity, or have a financial interest in the proceeds derived from an assisted activity, either for him or herself or for those with whom he or she has immediate family or business ties, during his or her tenure or during the one-year period following his or her tenure.

(2) *Exceptions.* Upon the written request of the recipient, HUD may grant an exception to the provisions of this section on a case-by-case basis, taking into account the cumulative effects of the criteria in paragraph (d)(2)(ii) of this section, provided that the recipient has satisfactorily met the threshold requirements of paragraph (d)(2)(ii) of this section.

(i) *Threshold requirements.* HUD will consider an exception only after the recipient has provided the following documentation:

(A) Disclosure of the nature of the conflict, accompanied by a written assurance, if the recipient is a government, that there has been public disclosure of the conflict and a description of how the public disclosure was made; and if the recipient is a private nonprofit organization, that the conflict has been disclosed in accordance with their written code of conduct or other conflict-of-interest policy; and

(B) An opinion of the recipient's attorney that the interest for which the exception is sought would not violate State or local law, or if the subrecipient is a private nonprofit organization, the exception would not violate the organization's internal policies.

(ii) *Factors to be considered for exceptions.* In determining whether to grant a requested exception after the recipient has satisfactorily met the threshold requirements under paragraph (c)(3)(i) of this section, HUD must conclude that the exception will serve to further the purposes of the Continuum of Care program and the effective and efficient administration of the recipient's or subrecipient's project, taking into account the cumulative effect of the following factors, as applicable:

- (A) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project that would otherwise not be available;
- (B) Whether an opportunity was provided for open competitive bidding or negotiation;
- (C) Whether the affected person has withdrawn from his or her functions, responsibilities, or the decision-making process with respect to the specific activity in question;
- (D) Whether the interest or benefit was present before the affected person was in the position described in paragraph (c)(1) of this section;
- (E) Whether undue hardship will result to the recipient, the subrecipient, or the person affected, when weighed against the public interest served by avoiding the prohibited conflict;
- (F) Whether the person affected is a member of a group or class of persons intended to be the beneficiaries of the assisted activity, and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class; and
- (G) Any other relevant considerations.

§ 578.97 Program income.

- (a) *Defined.* Program income is the income received by the recipient or subrecipient directly generated by a grant-supported activity.
- (b) *Use.* Program income earned during the grant term shall be retained by the recipient, and added to funds committed to the project by HUD and the recipient, used for eligible activities in accordance with the requirements of this part. Costs incident to the generation of program income may be deducted from gross income to calculate program income, provided that the costs have not been charged to grant funds.
- (c) *Rent and occupancy charges.* Rents and occupancy charges collected from program participants are program income. In addition, rents and occupancy charges collected from residents of transitional housing may be reserved, in whole or in part, to assist the residents from whom they are collected to move to permanent housing.

§ 578.99 Applicability of other federal requirements.

In addition to the requirements set forth in 24 CFR part 5, use of assistance provided under this part must comply with the following federal requirements:

- (a) *Environmental review.* Activities under this part are subject to environmental review by HUD under 24 CFR part 50 as noted in § 578.31.
- (b) *Section 6002 of the Solid Waste Disposal Act.* State agencies and agencies of a political subdivision of a state that are using assistance under this part for procurement, and any person contracting with such an agency with respect to work performed under an assisted contract, must comply with the requirements of Section 6003 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. In accordance with Section 6002, these agencies and persons must:
 - (1) Procure items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired in the preceding fiscal year exceeded \$10,000;
 - (2) Procure solid waste management services in a manner that maximizes energy and resource recovery; and
 - (3) Must have established an affirmative procurement program for the procurement of recovered materials identified in the EPA guidelines.

(c) *Transparency Act Reporting.* Section 872 of the Duncan Hunter Defense Appropriations Act of 2009, and additional requirements published by the Office of Management and Budget (OMB), requires recipients to report subawards made either as pass-through awards, subrecipient awards, or vendor awards in the Federal Government Web site www.fdrs.gov or its successor system. The reporting of award and subaward information is in accordance with the requirements of the Federal Financial Assistance Accountability and Transparency Act of 2006, as amended by section 6202 of Public Law 110-252 and in OMB Policy Guidance issued to the federal agencies on September 14, 2010 (75 FR 55669).

(d) *The Coastal Barrier Resources Act of 1982* (16 U.S.C. 3501 *et seq.*) may apply to proposals under this part, depending on the assistance requested.

(e) *Applicability of uniform administrative requirements, cost principles, and audit requirements for Federal awards.* The requirements of 2 CFR part 200 apply to recipients and subrecipients, except where inconsistent with the provisions of the McKinney-Vento Act or this part.

(f) *Lead-based paint.* The Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821-4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851-4856), and implementing regulations at 24 CFR part 35, subparts A, B, H, J, K, M, and R apply to activities under this program.

(g) *Audit.* Recipients and subrecipients must comply with the audit requirements of 2 CFR part 200, subpart F.

(h) *Davis-Bacon Act.* The provisions of the Davis-Bacon Act do not apply to this program.

(i) *Section 3 of the Housing and Urban Development Act.* Recipients and subrecipients must, as applicable, comply with Section 3 of the Housing and Urban Development Act of 1968 and its implementing regulations at 24 CFR part 135, as applicable.

(j) *Protections for victims of domestic violence, dating violence, sexual assault, or stalking—(1) General.* The requirements set forth in 24 CFR part 5, subpart L (Protection for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking), implementing the requirements of VAWA apply to all permanent housing and transitional housing for which Continuum of Care program funds are used for acquisition, rehabilitation, new construction, leasing, rental assistance, or operating costs. The requirements also apply where funds are used for homelessness prevention, but only where the funds are used to provide short- and/or medium-term rental assistance. Safe havens are subject only to the requirements in paragraph (j)(9) of this section.

(2) *Definition of covered housing provider.* For the Continuum of Care program, “covered housing provider,” as such term is used in HUD's regulations in 24 CFR part 5, subpart L refers to:

(i) The owner or landlord, which may be the recipient or subrecipient, for purposes of 24 CFR 5.2005(d)(1) and 5.2009(a);

(ii) The recipient, subrecipient, and owner or landlord for purposes of 24 CFR 5.2005(d)(2) through (d)(4); and

(iii) The recipient, subrecipient, and owner or landlord for purposes of 24 CFR 5.2007. However, the recipient or subrecipient may limit documentation requests under § 5.2007 to only the recipient or subrecipient, provided that:

(A) This limitation is made clear in both the notice described under 24 CFR 5.2005(a)(1) and the rental assistance agreement;

(B) The entity designated to receive documentation requests determines whether the program participant is entitled to protection under VAWA and immediately advise the program participant of the determination; and

(C) If the program participant is entitled to protection, the entity designated to receive documentation requests must notify the owner in writing that the program participant is entitled to protection under VAWA and work with the owner on the program participant's behalf. Any further

sharing or disclosure of the program participant's information will be subject to the requirements in 24 CFR 5.2007.

(3) *Effective date.* The core statutory protections of VAWA that prohibit denial or termination of assistance or eviction solely because an applicant or tenant is a victim of domestic violence, dating violence, sexual assault, or stalking, applied upon enactment of VAWA 2013 on March 7, 2013. Compliance with the VAWA regulatory requirements under this section and at 24 CFR part 5, subpart L, is required for grants awarded pursuant to NOFAs published on or after December 16, 2016.

(4) *Notification requirements.* (i) The recipient or subrecipient must provide each individual or family applying for permanent housing and transitional housing and each program participant the notice and the certification form described in 24 CFR 5.2005 at each of the following times:

(A) When an individual or family is denied permanent housing or transitional housing;

(B) When a program participant is admitted to permanent housing or transitional housing;

(C) When a program participant receives notification of eviction; and

(D) When a program participant is notified of termination of assistance.

(ii) When grant funds are used for rental assistance, the recipient or subrecipient must ensure that the owner or manager of the housing provides the notice and certification form described in 24 CFR 5.2005(a) to the program participant with any notification of eviction. This commitment and the confidentiality requirements under 24 CFR 5.2007(c) must be set forth in a contract with the owner or landlord.

(5) *Contract, lease, and occupancy agreement provisions.* (i) Recipients and subrecipients must include in any contracts and leases between the recipient or subrecipient, and an owner or landlord of the housing:

(A) The requirement to comply with 24 CFR part 5, subpart L; and

(B) Where the owner or landlord of the housing will have a lease with a program participant, the requirement to include a lease provision that include all requirements that apply to tenants, the owner or the lease under 24 CFR part 5, subpart L, as supplemented by this part, including the prohibited bases for eviction and restrictions on construing lease terms under 24 CFR 5.2005(b) and (c).

(ii) The recipient or subrecipient must include in any lease, sublease, and occupancy agreement with the program participant a provision that include all requirements that apply to tenants, the owner or the lease under 24 CFR part 5, subpart L, as supplemented by this part, including the prohibited bases for eviction and restrictions on construing lease terms under 24 CFR 5.2005(b) and (c). The lease, sublease, and occupancy agreement may specify that the protections under 24 CFR part 5, subpart L, apply only during the period of assistance under the Continuum of Care Program. The period of assistance for housing where grant funds were used for acquisition, construction, or rehabilitation is 15 years from the date of initial occupancy or date of initial service provision.

(iii) Except for tenant-based rental assistance, recipients and subrecipients must require that any lease, sublease, or occupancy agreement with a program participant permits the program participant to terminate the lease, sublease, or occupancy agreement without penalty if the recipient or subrecipient determines that the program participant qualifies for an emergency transfer under the emergency transfer plan established under paragraph (j)(8) of this section.

(iv) For tenant-based rental assistance, the recipient or subrecipient must enter into a contract with the owner or landlord of the housing that:

(A) Requires the owner or landlord of the housing to comply with the provisions of 24 CFR part 5, subpart L; and

(B) Requires the owner or landlord of the housing to include a lease provision that include all requirements that apply to tenants, the owner or the lease under 24 CFR part 5, subpart L, as

supplemented by this part, including the prohibited bases for eviction and restrictions on construing lease terms under 24 CFR 5.005(b) and (c). The lease may specify that the protections under 24 CFR part 5, subpart L, only apply while the program participant receives tenant-based rental assistance under the Continuum of Care Program.

(6) *Transition.* (i) The recipient or subrecipient must ensure that the requirements set forth in paragraph (j)(5) of this section apply to any contracts, leases, subleases, or occupancy agreements entered into, or renewed, following the expiration of an existing term, on or after the effective date in paragraph (j)(2) of this section. This obligation includes any contracts, leases, subleases, and occupancy agreements that will automatically renew on or after the effective date in paragraph (j)(3) of this section.

(ii) For leases for tenant-based rental assistance existing prior to the effective date in paragraph (j)(2) of this section, recipients and subrecipients must enter into a contract under paragraph (j)(6)(iv) of this section before the next renewal of the lease.

(7) *Bifurcation.* For the purposes of this part, the following requirements shall apply in place of the requirements at 24 CFR 5.2009(b):

(i) If a family who is receiving tenant-based rental assistance under this part separates under 24 CFR 5.2009(a), the family's tenant-based rental assistance and any utility assistance shall continue for the family member(s) who are not evicted or removed.

(ii) If a family living in permanent supportive housing separates under 24 CFR 5.2009(a), and the family's eligibility for the housing was based on the evicted individual's disability or chronically homeless status, the remaining tenants may stay in the project as provided under § 578.75(i)(2). Otherwise, if a family living in a project funded under this part separates under 24 CFR 5.2009(a), the remaining tenant(s) will be eligible to remain in the project.

(8) *Emergency transfer plan.* The Continuum of Care must develop an emergency transfer plan for the Continuum of Care, and recipients and subrecipients in the Continuum of Care must follow that plan. The plan must comply with 24 CFR 5.2005(e) and include the following program requirements:

(i) For families receiving tenant-based rental assistance, the plan must specify what will happen with respect to the non-transferring family member(s), if the family separates in order to effect an emergency transfer.

(ii) For families living in units that are otherwise assisted under this part (assisted units), the required policies must provide that for program participants who qualify for an emergency transfer but a safe unit is not immediately available for an internal emergency transfer, the individual or family shall have priority over all other applicants for rental assistance, transitional housing, and permanent supportive housing projects funded under this part, provided that: The individual or family meets all eligibility criteria required by Federal law or regulation or HUD NOFA; and the individual or family meets any additional criteria or preferences established in accordance with § 578.93(b)(1), (4), (6), or (7). The individual or family shall not be required to meet any other eligibility criteria or preferences for the project. The individual or family shall retain their original homeless or chronically homeless status for the purposes of the transfer.

(9) *Protections with respect to safe havens.* The following requirements apply to safe havens funded under this part:

(i) No individual may be denied admission to or removed from the safe haven on the basis or as a direct result of the fact that the individual is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, if the individual otherwise qualifies for admission or occupancy.

(iii) The terms "affiliated individual," "dating violence," "domestic violence," "sexual assault," and "stalking" are defined in 24 CFR 5.2003.

[77 FR 45442, July 31, 2012, as amended at 80 FR 75940, Dec. 7, 2015; 81 FR 80810, Nov. 16, 2016; 81 FR 87812, Dec. 6, 2016]

Subpart G—Grant Administration

§ 578.101 Technical assistance.

(a) *Purpose.* The purpose of Continuum of Care technical assistance is to increase the effectiveness with which Continuums of Care, eligible applicants, recipients, subrecipients, and UFAs implement and administer their Continuum of Care planning process; improve their capacity to prepare applications; prevent the separation of families in projects funded under the Emergency Solutions Grants, Continuum of Care, and Rural Housing Stability Assistance programs; and adopt and provide best practices in housing and services for persons experiencing homelessness.

(b) *Defined.* Technical assistance means the transfer of skills and knowledge to entities that may need, but do not possess, such skills and knowledge. The assistance may include, but is not limited to, written information such as papers, manuals, guides, and brochures; person-to-person exchanges; web-based curriculums, training and Webinars, and their costs.

(c) *Set-aside.* HUD may set aside funds annually to provide technical assistance, either directly by HUD staff or indirectly through third-party providers.

(d) *Awards.* From time to time, as HUD determines the need, HUD may advertise and competitively select providers to deliver technical assistance. HUD may enter into contracts, grants, or cooperative agreements, when necessary, to implement the technical assistance. HUD may also enter into agreements with other federal agencies for awarding the technical assistance funds.

§ 578.103 Recordkeeping requirements.

(a) *In general.* The recipient and its subrecipients must establish and maintain standard operating procedures for ensuring that Continuum of Care program funds are used in accordance with the requirements of this part and must establish and maintain sufficient records to enable HUD to determine whether the recipient and its subrecipients are meeting the requirements of this part, including:

(1) *Continuum of Care records.* Each collaborative applicant must keep the following documentation related to establishing and operating a Continuum of Care:

(i) Evidence that the Board selected by the Continuum of Care meets the requirements of § 578.5(b);

(ii) Evidence that the Continuum has been established and operated as set forth in subpart B of this part, including published agendas and meeting minutes, an approved Governance Charter that is reviewed and updated annually, a written process for selecting a board that is reviewed and updated at least once every 5 years, evidence required for designating a single HMIS for the Continuum, and monitoring reports of recipients and subrecipients;

(iii) Evidence that the Continuum has prepared the application for funds as set forth in § 578.9, including the designation of the eligible applicant to be the collaborative applicant.

(2) *Unified funding agency records.* UFAs that requested grant amendments from HUD, as set forth in § 578.105, must keep evidence that the grant amendment was approved by the Continuum. This evidence may include minutes of meetings at which the grant amendment was discussed and approved.

(3) *Homeless status.* Acceptable evidence of the homeless as status is set forth in 24 CFR 576.500(b).

(4) *Chronically homeless status.* The recipient must maintain and follow written intake procedures to ensure compliance with the chronically homeless definition in § 578.3. The procedures must require documentation at intake of the evidence relied upon to establish and verify chronically homeless status. The procedures must establish the order of priority for obtaining evidence as third-party documentation first, intake worker observations second, and certification from the person seeking assistance third. Records contained in an HMIS, or comparable database used by victim service or legal service providers, are acceptable evidence

of third-party documentation and intake worker observations if the HMIS, or comparable database, retains an auditable history of all entries, including the person who entered the data, the date of entry, and the change made, and if the HMIS prevents overrides or changes of the dates on which entries are made.

(i) For paragraph (1) of the “Chronically homeless” definition in § 578.3, evidence that the individual is a “homeless individual with a disability” as defined in section 401(9) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11360(9)) must include:

(A) Evidence of homeless status as set forth in paragraph (a)(3) of this section; and

(B) Evidence of a disability. In addition to the documentation required under paragraph (a)(4)(i)(A) of this section, the procedures must require documentation at intake of the evidence relied upon to establish and verify the disability of the person applying for homeless assistance. The recipient must keep these records for 5 years after the end of the grant term. Acceptable evidence of the disability includes:

(1) Written verification of the disability from a professional licensed by the state to diagnose and treat the disability and his or her certification that the disability is expected to be long-continuing or of indefinite duration and substantially impedes the individual's ability to live independently;

(2) Written verification from the Social Security Administration;

(3) The receipt of a disability check (e.g., Social Security Disability Insurance check or Veteran Disability Compensation);

(4) Intake staff-recorded observation of disability that, no later than 45 days from the application for assistance, is confirmed and accompanied by evidence in paragraph (a)(4)(i)(B)(1), (2), (3), or (5) of this section; or

(5) Other documentation approved by HUD.

(ii) For paragraph (1)(i) of the “Chronically homeless” definition in § 578.3, evidence that the individual lives in a place not meant for human habitation, a safe haven, or an emergency shelter, which includes:

(A) An HMIS record or record from a comparable database;

(B) A written observation by an outreach worker of the conditions where the individual was living;

(C) A written referral by another housing or service provider; or

(D) Where evidence in paragraphs (a)(4)(ii)(A) through (C) of this section cannot be obtained, a certification by the individual seeking assistance, which must be accompanied by the intake worker's documentation of the living situation of the individual or family seeking assistance and the steps taken to obtain evidence in paragraphs (a)(4)(ii)(A) through (C).

(iii) For paragraph (1)(ii) of the “Chronically homeless” definition in § 578.3, evidence must include a combination of the evidence described in paragraphs (a)(4)(ii)(A) through (D) of this section, subject to the following conditions:

(A) Third-party documentation of a single encounter with a homeless service provider on a single day within 1 month is sufficient to consider an individual as homeless and living or residing in a place not meant for human habitation, a safe haven, or an emergency shelter for the entire calendar month (e.g., an encounter on May 5, 2015, counts for May 1—May 31, 2015), unless there is evidence that there have been at least 7 consecutive nights not living or residing in a place not meant for human habitation, a safe haven, or an emergency shelter during that month (e.g., evidence in HMIS of a stay in transitional housing);

(B) Each break in homelessness of at least 7 consecutive nights not living or residing in a place not meant for human habitation, a safe haven, or in an emergency shelter between separate occasions must be documented with the evidence described in paragraphs (a)(4)(ii)(A) through (D) of this section;

(C) Evidence of stays in institutional care facilities fewer than 90 days included in the total of at least 12 months of living or residing in a place not meant for human habitation, a safe haven, or an emergency shelter must include the evidence in paragraphs (a)(4)(iv)(A) through (B) of this section and evidence described in paragraphs (a)(4)(ii)(A) through (D) of this section that the individual was living or residing in a place not meant for human habitation, a safe haven, or an emergency shelter immediately prior to entering the institutional care facility; and

(D) For at least 75 percent of the chronically homeless individuals and families assisted by a recipient in a project during an operating year, no more than 3 months of living or residing in a place not meant for human habitation, a safe haven, or an emergency shelter may be documented using the evidence in paragraph (a)(4)(ii)(D) of this section for each assisted chronically homeless individual or family. This limitation does not apply to documentation of breaks in homelessness between separate occasions, which may be documented entirely based on a self-report by the individual seeking assistance.

(iv) If an individual qualifies as chronically homeless under paragraph (2) of the “Chronically homeless” definition in § 578.3 because he or she has been residing in an institutional care facility for fewer than 90 days and met all of the criteria in paragraph (1) of the definition, before entering that facility, evidence must include the following:

(A) Discharge paperwork or a written or oral referral from a social worker, case manager, or other appropriate official of the institutional care facility stating the beginning and end dates of the time residing in the institutional care facility. All oral statements must be recorded by the intake worker; or

(B) Where the evidence in paragraph (a)(4)(iv)(A) of this section is not obtainable, a written record of the intake worker's due diligence in attempting to obtain the evidence described in paragraph (a)(4)(iv)(A) and a certification by the individual seeking assistance that states that he or she is exiting or has just exited an institutional care facility where he or she resided for fewer than 90 days; and

(C) Evidence as set forth in paragraphs (a)(4)(i) through (iii) of this section that the individual met the criteria in paragraph (1) of the definition for “Chronically homeless” in § 578.3, immediately prior to entry into the institutional care facility.

(v) If a family qualifies as chronically homeless under paragraph (3) of the “Chronically homeless” definition in § 578.3, evidence must include the evidence as set forth in paragraphs (a)(4)(i) through (iv) of this section that the adult head of household (or if there is no adult in the family, a minor head of household) met all of the criteria in paragraph (1) or (2) of the definition.

(5) *At risk of homelessness status.* For those recipients and subrecipients that serve persons at risk of homelessness, the recipient or subrecipient must keep records that establish “at risk of homelessness” status of each individual or family who receives Continuum of Care homelessness prevention assistance. Acceptable evidence is found in 24 CFR 576.500(c).

(6) *Moves for victims of domestic violence, dating violence, sexual assault, and stalking.*

(i) For each program participant who moved to a different Continuum of Care due to imminent threat of further domestic violence, dating violence, sexual assault, or stalking under § 578.51(c) (3), each recipient or subrecipient of assistance under this part must retain:

(A) Documentation of the original incidence of domestic violence, dating violence, sexual assault, or stalking, only if the original violence is not already documented in the program participant's case file. This may be written observation of the housing or service provider; a letter or other documentation from a victim service provider, social worker, legal assistance provider, pastoral counselor, mental health provider, or other professional from whom the victim has sought assistance; medical or dental records; court records or law enforcement records; or written certification by the program participant to whom the violence occurred or by the head of household.

(B) Documentation of the reasonable belief of imminent threat of further domestic violence, dating violence, or sexual assault or stalking, which would include threats from a third-party, such as a friend or family member of the perpetrator of the violence. This may be written observation

by the housing or service provider; a letter or other documentation from a victim service provider, social worker, legal assistance provider, pastoral counselor, mental health provider, or other professional from whom the victim has sought assistance; current restraining order; recent court order or other court records; law enforcement report or records; communication records from the perpetrator of the violence or family members or friends of the perpetrator of the violence, including emails, voicemails, text messages, and social media posts; or a written certification by the program participant to whom the violence occurred or the head of household.

(ii) Data on emergency transfers requested under 24 CFR 5.2005(e) and § 578.99, pertaining to victims of domestic violence, dating violence, sexual assault, or stalking, including data on the outcomes of such requests.

(7) *Annual income.* For each program participant who receives housing assistance where rent or an occupancy charge is paid by the program participant, the recipient or subrecipient must keep the following documentation of annual income:

(i) Income evaluation form specified by HUD and completed by the recipient or subrecipient; and

(ii) Source documents (e.g., most recent wage statement, unemployment compensation statement, public benefits statement, bank statement) for the assets held by the program participant and income received before the date of the evaluation;

(iii) To the extent that source documents are unobtainable, a written statement by the relevant third party (e.g., employer, government benefits administrator) or the written certification by the recipient's or subrecipient's intake staff of the oral verification by the relevant third party of the income the program participant received over the most recent period; or

(iv) To the extent that source documents and third-party verification are unobtainable, the written certification by the program participant of the amount of income that the program participant is reasonably expected to receive over the 3-month period following the evaluation.

(8) *Program participant records.* In addition to evidence of "homeless" status or "at-risk-of-homelessness" status, as applicable, the recipient or subrecipient must keep records for each program participant that document:

(i) The services and assistance provided to that program participant, including evidence that the recipient or subrecipient has conducted an annual assessment of services for those program participants that remain in the program for more than a year and adjusted the service package accordingly, and including case management services as provided in § 578.37(a)(1)(ii)(F); and

(ii) Where applicable, compliance with the termination of assistance requirement in § 578.91.

(9) *Housing standards.* The recipient or subrecipient must retain documentation of compliance with the housing standards in § 578.75(b), including inspection reports.

(10) *Services provided.* The recipient or subrecipient must document the types of supportive services provided under the recipient's program and the amounts spent on those services. The recipient or subrecipient must keep record that these records were reviewed at least annually and that the service package offered to program participants was adjusted as necessary.

(11) *Match.* The recipient must keep records of the source and use of contributions made to satisfy the match requirement in § 578.73. The records must indicate the grant and fiscal year for which each matching contribution is counted. The records must show how the value placed on third party in-kind contributions was derived. To the extent feasible, volunteer services must be supported by the same methods that the organization uses to support the allocation of regular personnel costs.

(12) *Conflicts of interest.* The recipient and its subrecipients must keep records to show compliance with the organizational conflict-of-interest requirements in § 578.95(c), the Continuum of Care board conflict-of-interest requirements in § 578.95(b), the other conflict requirements in § 578.95(d), a copy of the personal conflict-of-interest policy developed and implemented to comply with the requirements in § 578.95, and records supporting exceptions to the personal conflict-of-interest prohibitions.

- (13) *Homeless participation.* The recipient or subrecipient must document its compliance with the homeless participation requirements under § 578.75(g).
- (14) *Faith-based activities.* The recipient and its subrecipients must document their compliance with the faith-based activities requirements under § 578.87(b).

- (1) All records containing protected identifying information of any individual or family who applies for and/or receives Continuum of Care assistance will be kept secure and confidential;
- (2) The address or location of any family violence project assisted with Continuum of Care funds will not be made public, except with written authorization of the person responsible for the operation of the project; and

§ 578.105 Grant and project changes.

(a) *For Unified Funding Agencies and Continuums having only one recipient.* (1) The recipient may not make any significant changes without prior HUD approval, evidenced by a grant amendment signed by HUD and the recipient. Significant grant changes include a change of recipient, a shift in a single year of more than 10 percent of the total amount awarded under the grant for one approved eligible activity category to another activity and a permanent change in the subpopulation served by any one project funded under the grant, as well as a permanent proposed reduction in the total number of units funded under the grant.

(2) Approval of substitution of the recipient is contingent on the new recipient meeting the capacity criteria in the NOFA under which the grant was awarded, or the most recent NOFA. Approval of shifting funds between activities and changing subpopulations is contingent on the change being necessary to better serve eligible persons within the geographic area and ensuring that the priorities established under the NOFA in which the grant was originally awarded, or the most recent NOFA, are met.

(b) *For Continuums having more than one recipient.* (1) The recipients or subrecipients may not make any significant changes to a project without prior HUD approval, evidenced by a grant amendment signed by HUD and the recipient. Significant changes include a change of recipient, a change of project site, additions or deletions in the types of eligible activities approved for a project, a shift of more than 10 percent from one approved eligible activity to another, a reduction in the number of units, and a change in the subpopulation served.

(2) Approval of substitution of the recipient is contingent on the new recipient meeting the capacity criteria in the NOFA under which the grant was awarded, or the most recent NOFA. Approval of shifting funds between activities and changing subpopulations is contingent on the change being necessary to better serve eligible persons within the geographic area and ensuring that the priorities established under the NOFA in which the grant was originally awarded, or the most recent NOFA, are met.

(c) *Documentation of changes not requiring a grant amendment.* Any other changes to an approved grant or project must be fully documented in the recipient's or subrecipient's records.

§ 578.107 Sanctions.

(a) *Performance reviews.* (1) HUD will review the performance of each recipient in carrying out its responsibilities under this part, with or without prior notice to the recipient. In conducting performance reviews, HUD will rely primarily on information obtained from the records and reports from the recipient and subrecipients, as well as information from on-site monitoring, audit reports, and information generated from HUD's financial and reporting systems (e.g., LOCCS and e-snaps) and HMIS. Where applicable, HUD may also consider relevant information pertaining to the recipient's performance gained from other sources, including citizen comments, complaint determinations, and litigation.

(2) If HUD determines preliminarily that the recipient or one of its subrecipients has not complied with a program requirement, HUD will give the recipient notice of this determination and an opportunity to demonstrate, within the time prescribed by HUD and on the basis of substantial

facts and data that the recipient has complied with the requirements. HUD may change the method of payment to require the recipient to submit documentation before payment and obtain HUD's prior approval each time the recipient draws down funds. To obtain prior approval, the recipient may be required to manually submit its payment requests and supporting documentation to HUD in order to show that the funds to be drawn down will be expended on eligible activities in accordance with all program requirements.

(3) If the recipient fails to demonstrate to HUD's satisfaction that the activities were carried out in compliance with program requirements, HUD may take one or more of the remedial actions or sanctions specified in paragraph (b) of this section.

(b) *Remedial actions and sanctions.* Remedial actions and sanctions for a failure to meet a program requirement will be designed to prevent a continuation of the deficiency; to mitigate, to the extent possible, its adverse effects or consequences; and to prevent its recurrence.

(1) HUD may instruct the recipient to submit and comply with proposals for action to correct, mitigate, and prevent noncompliance with program requirements, including:

(i) Preparing and following a schedule of actions for carrying out activities and projects affected by the noncompliance, including schedules, timetables, and milestones necessary to implement the affected activities and projects;

(ii) Establishing and following a management plan that assigns responsibilities for carrying out the remedial actions;

(iii) Canceling or revising activities or projects likely to be affected by the noncompliance, before expending grant funds for them;

(iv) Reprogramming grant funds that have not yet been expended from affected activities or projects to other eligible activities or projects;

(v) Suspending disbursement of grant funds for some or all activities or projects;

(vi) Reducing or terminating the remaining grant of a subrecipient and either reallocating those funds to other subrecipients or returning funds to HUD; and

(vii) Making matching contributions before or as draws are made from the recipient's grant.

(2) HUD may change the method of payment to a reimbursement basis.

(3) HUD may suspend payments to the extent HUD determines necessary to preclude the further expenditure of funds for affected activities or projects.

(4) HUD may continue the grant with a substitute recipient of HUD's choosing.

(5) HUD may deny matching credit for all or part of the cost of the affected activities and require the recipient to make further matching contributions to make up for the contribution determined to be ineligible.

(6) HUD may require the recipient to reimburse the recipient's line of credit in an amount equal to the funds used for the affected activities.

(7) HUD may reduce or terminate the remaining grant of a recipient.

(8) HUD may condition a future grant.

(9) HUD may take other remedies that are legally available.

(c) *Recipient sanctions.* If the recipient determines that a subrecipient is not complying with a program requirement or its subrecipient agreement, the recipient must take one of the actions listed in paragraphs (a) and (b) of this section.

(d) *Deobligation.* HUD may deobligate funds for the following reasons:

(1) If the timeliness standards in § 578.85 are not met;

- (2) If HUD determines that delays completing construction activities for a project will mean that the funds for other funded activities cannot reasonably be expected to be expended for eligible costs during the remaining term of the grant;
- (3) If the actual total cost of acquisition, rehabilitation, or new construction for a project is less than the total cost agreed to in the grant agreement;
- (4) If the actual annual leasing costs, operating costs, supportive services costs, rental assistance costs, or HMIS costs are less than the total cost agreed to in the grant agreement for a one-year period;
- (5) Program participants have not moved into units within 3 months of the time that the units are available for occupancy; and
- (6) The grant agreement may set forth in detail other circumstances under which funds may be deobligated and other sanctions may be imposed.

§ 578.109 Closeout.

- (a) *In general.* Grants will be closed out in accordance with the requirements of 2 CFR part 200, subpart D, and closeout procedures established by HUD.
- (b) *Reports.* Applicants must submit all reports required by HUD no later than 90 days from the date of the end of the project's grant term.
- (c) *Closeout agreement.* Any obligations remaining as of the date of the closeout must be covered by the terms of a closeout agreement. The agreement will be prepared by HUD in consultation with the recipient. The agreement must identify the grant being closed out, and include provisions with respect to the following:
 - (1) Identification of any closeout costs or contingent liabilities subject to payment with Continuum of Care program funds after the closeout agreement is signed;
 - (2) Identification of any unused grant funds to be deobligated by HUD;
 - (3) Identification of any program income on deposit in financial institutions at the time the closeout agreement is signed;
 - (4) Description of the recipient's responsibility after closeout for:
 - (i) Compliance with all program requirements in using program income on deposit at the time the closeout agreement is signed and in using any other remaining Continuum of Care program funds available for closeout costs and contingent liabilities;
 - (ii) Use of real property assisted with Continuum of Care program funds in accordance with the terms of commitment and principles;
 - (iii) Use of personal property purchased with Continuum of Care program funds; and
 - (iv) Compliance with requirements governing program income received subsequent to grant closeout.
 - (5) Other provisions appropriate to any special circumstances of the grant closeout, in modification of or in addition to the obligations in paragraphs (c)(1) through (4) of this section.
