Before Starting the CoC Application

The CoC Consolidated Application consists of three parts, the CoC Application, the CoC Priority Listing, and all the CoC’s project applications that were either approved and ranked, or rejected. All three must be submitted for the CoC Consolidated Application to be considered complete.

The Collaborative Applicant is responsible for reviewing the following:

1. The FY 2019 CoC Program Competition Notice of Funding Available (NOFA) for specific application and program requirements.
2. The FY 2019 CoC Application Detailed Instructions which provide additional information and guidance for completing the application.
3. All information provided to ensure it is correct and current.
4. Responses provided by project applicants in their Project Applications.
5. The application to ensure all documentation, including attachment are provided.
6. Questions marked with an asterisk (*), which are mandatory and require a response.
1A. Continuum of Care (CoC) Identification

FY2019 CoC Application Page 3 09/25/2019
**1B-1a. CoC’s Strategy to Solicit/Consider Opinions on Preventing/Ending Homelessness.**

Applicants must describe how the CoC:
1. solicits and considers opinions from a broad array of organizations and individuals that have knowledge of homelessness, or an interest in preventing and ending homelessness;
2. communicates information during public meetings or other forums the CoC uses to solicit public information;
3. takes into consideration information gathered in public meetings or forums to address improvements or new approaches to preventing and ending homelessness; and
4. ensures effective communication with individuals with disabilities, including the availability of accessible electronic formats, e.g., PDF. (limit 2,000 characters)

(1) The CoC annually holds two advertised public meetings and smaller bi-monthly meetings where member agencies are encouraged to attend, share new information, and discuss current issues, goals, or needs within the CoC’s geographic area. CoC Board Members and representatives from member organizations and other community partners are encouraged to serve on CoC committees. These committees actively engage with community partners to seek input for the CoC’s strategies to prevent and end homelessness. For example, the Discharge Planning committee is in regular contact with law enforcement, Department of Human Resources, hospitals and other institutions to coordinate processes. Two CoC Board Members sit on a planning committee for the City of Mobile’s Homeless Summit which is an educational opportunity to build community awareness. (2) & (3) The annual COC meetings are opened to the public. During these meetings the CoC makes announcements concerning upcoming events and share important information. They also solicit comments,
concerns and questions. All public comments are discussed by the CoC and if necessary, the appropriate CoC member will follow-up with the interested individual. (4) The CoC communicates with persons with disabilities via the Internet, electronic mail or the disabled's persons communication device. Depending on the disability, the CoC announces the availability of interpreters (sign language, etc.) and is capable of revising documents to assist disabled individuals in connecting to information.

1B-2. Open Invitation for New Members.

Applicants must describe:
1. the invitation process;
2. how the CoC communicates the invitation process to solicit new members;
3. how the CoC ensures effective communication with individuals with disabilities, including the availability of accessible electronic formats;
4. how often the CoC solicits new members; and
5. any special outreach the CoC conducted to ensure persons experiencing homelessness or formerly homeless persons are encouraged to join the CoC.
(limit 2,000 characters)

(1) The CoC annually holds two well advertised public meetings. The spring meeting is specifically for public information and the solicitation of new membership. The fall meeting is for public discussion of the NOFA process. Invitations for both meetings are distributed in a community-wide email that includes hundreds of individuals from governmental and non-profit agencies, local businesses, and faith based organizations. Information is also publicly posted on the Collaborative Applicant's website. (2) The invitation process is communicated publicly at the two annual, public meetings. CoC Board members regularly attend public events offered by local government, institutions, business and industry, and councils on workforce development to inform potential partners and the public about the CoC's work and invite potential members to attend CoC meetings. The CoC also has a Board Development Committee, chaired by the Vice President. This committee's primary function is to solicit new members from the community. (3) The CoC communicates with persons with disabilities via the Internet, electronic mail or the disabled's persons personal communication device. The CoC announces the availability of interpreters (sign language, etc.) and is capable of revising documents to assist disabled individuals in connecting to information. (4) New members are specifically solicited twice annually. CoC Board members leverage their influence in their respective spheres to solicit new members throughout the year. (5) The CoC is dedicated to ensuring persons experiencing homelessness or formerly homeless persons are provided full, unmitigated involvement in the CoC process. Currently, there is one formerly homeless person serving on the CoC Board, and CoC Members and member agencies regularly identify formerly homeless individuals who may be interested in joining the CoC. These individuals are then sent information concerning the role of the CoC and implored to join CoC meetings.

1B-3. Public Notification for Proposals from Organizations Not Previously Funded.

Applicant: Mobile City & County/Baldwin County CoC
Project: AL-501 CoC Registration FY2019
Applicants must describe:
1. how the CoC notifies the public that it is accepting project application proposals, and that it is open to and will consider applications from organizations that have not previously received CoC Program funding, as well as the method in which proposals should be submitted;
2. the process the CoC uses to determine whether the project application will be included in the FY 2019 CoC Program Competition process;
3. the date(s) the CoC publicly announced it was open to proposal;
4. how the CoC ensures effective communication with individuals with disabilities, including the availability of accessible electronic formats; and
5. if the CoC does not accept proposals from organizations that have not previously received CoC Program funding or did not announce it was open to proposals from non-CoC Program funded organizations, the applicant must state this fact in the response and provide the reason the CoC does not accept proposals from organizations that have not previously received CoC Program funding.

(limit 2,000 characters)

(1) On July 19, 2019, a mass email was sent to over 400+ governmental agencies, local businesses, non-profit agencies and faith based organizations announcing the FY2019 Competition- Request for Proposal (with competition deadline) and the Public Meeting. The announcement asked email recipients to visit the Collaborative Applicant's website for additional information. The RFP, NOFA and New Project Application Detail Instructions were published to the Collaborative Applicant's website on July 22, 2019. The Public Meeting was held on July 31st with 17 agencies represented. The public meeting covered the deadline and application package. (2) The CoC takes strong measures in ensuring that they recommend the best project applications for inclusion in the Competition. The following are some of the data the CoC uses to review the renewal project information (APRs, Monitoring reports, Financial data including draws and dates of draws, Match, previous performance, prior applications, etc.). Any new applications are reviewed for prior federal grant experience, 501 status, past performance, housing first approach, coordinated entry, financial audits/data, other factors. The projects are then prioritized/ranked for submission. (3) The CoC's first public announcement of the competition open was July 19, 2019. (4) The CoC communicates with persons with disabilities via the Internet, electronic mail or the disabled's personal communication device. Depending on the disability, the CoC announces the availability of interpreters (sign language, etc.) and is capable of revising documents to assist disabled individuals in connecting to information. (5) The CoC encourages all organizations to submit applications.

1C-2. CoC Consultation with ESG Program Recipients.

Applicants must describe how the CoC:
1. consulted with ESG Program recipients in planning and allocating ESG funds;
2. participated in the evaluating and reporting performance of ESG Program recipients and subrecipients; and
3. ensured local homelessness information is communicated and addressed in the Consolidated Plan updates.

(limit 2,000 characters)

1) The CoC coordinates with three ESG recipients: the City of Mobile, the Mobile County Commission, and the State of Alabama Department of Economic and Community Affairs. The City and County have representatives on the CoC Board of Directors. In 2014 the CoC met with all three ESG recipients to coordinate the allocation process for ESG funding from each entitlement jurisdiction to ensure funding is equitably allocated. The CoC then designated the Collaborative Applicant to annually meet with the jurisdictions to discuss funding allocation. The Collaborative Applicant annually participates in each jurisdiction's Consolidated Plan. (2) The HMIS lead provides PIT and HIC data to the Consolidated Plan jurisdictions on an annual basis for use in their Consolidated Plans. The HMIS lead also works with the three entitlement jurisdictions and HMIS partner agencies to complete CAPERs and meet other reporting requirements as requested for ESG-funded projects. A representative from one entitlement jurisdiction, the City of Mobile, chairs the CoC’s Project Monitoring Committee to ensure collaboration between the monitoring of ESG and CoC funded projects. (3) The Certifications of Consistencies are reviewed annually by the Mayor of the City of Mobile, presiding President of the Mobile County Commission and the State of Alabama certifying consistency with the jurisdictions current approved Consolidated Plan.

1C-2a. Providing PIT and HIC Data to Consolidated Plan Jurisdictions.  

Applicants must indicate whether the CoC provided Point-in-Time (PIT) and Housing Inventory Count (HIC) data to the Consolidated Plan jurisdictions within its geographic area.

Yes to both

1C-2b. Providing Other Data to Consolidated Plan Jurisdictions.

Applicants must indicate whether the CoC ensured local homelessness information is communicated to Consolidated Plan Jurisdictions within its geographic area so it can be addressed in Consolidated Plan updates.

Yes
1C-3. Addressing the Safety Needs of Domestic Violence, Dating Violence, Sexual Assault, and Stalking Survivors.

Applicants must describe:
1. the CoC’s protocols, including protocols for coordinated entry and the CoC’s emergency transfer plan, that prioritize safety and incorporate trauma-informed, victim-centered services; and
2. how the CoC, through its coordinated entry, maximizes client choice for housing and services while ensuring safety and confidentiality.
(limit 2,000 characters)

(1) The CoC utilizes HMIS & Coordinated Entry protocols which specifically prioritize safety for survivors of domestic violence, dating violence, sexual assault, and stalking. All agencies using the HMIS must offer protections to DV survivors, which includes the option to lock individual records for enhanced privacy and security and a prohibition on entering confidential domestic violence information into client case notes. The CE has a process in place by which victims of DV who present for services with their abuser are separated through planned scenarios and can be inconspicuously transported from the facility to DV ES, if desired. In instances of suspected DV where the victim does not wish to flee, CE staff uses such planned separation of the two parties to allow for the victim to communicate with a DV crisis line for safety planning. Annual training is provided to Coordinated Entry and staff from CoC-funded projects to educate staff on best practices and special considerations to take when serving persons fleeing DV. Training informs the development and implementation of service practices, interview methods, and language competencies which support a trauma informed approach in all aspects of service delivery.

(2) DV survivors are provided access to CE services through alternate locations, such as area DV shelters. Services to DV survivors are consistently provided by the same Case Manager in isolated areas of the facility to promote continuity in services and to prevent compromised safety. HMIS records for DV survivors seeking services through CoC-funded projects are locked & can only be accessed by the provider currently providing services, if desired by the participant. The CoC continues to encourage the Housing First model & client choice in housing whereby Permanent Housing destinations are obtained through the collaborative efforts of Case Managers & participants, resulting in locations which consider the unique needs of persons fleeing DV.

1C-3a. Training–Best Practices in Serving DV Survivors.

Applicants must describe how the CoC coordinates with victim services providers to provide training, at least on an annual basis, for:
1. CoC area project staff that addresses safety and best practices (e.g., trauma-informed, victim-centered) on safety and planning protocols in serving survivors of domestic violence; and
2. Coordinated Entry staff that addresses safety and best practices (e.g., Trauma Informed Care) on safety and planning protocols in serving survivors of domestic violence.
(limit 2,000 characters)

(1) CE staff met with Penelope House (DV service provider) staff on the following dates to discuss service delivery, safety and best practices:
10/25/2018, 02/18/2019, and 07/10/2019. (2) Local DV providers employ Community Outreach specialists to engage the community and educate service providers about the dynamics of domestic violence and sexual assault. A mandatory training session was held for CE staff on October 20, 2017. Project staff from other CoC-funded projects were in attendance, and the CoC plans to continue to coordinate training with DV providers to address best practices in serving survivors of domestic violence, dating violence, sexual assault, and stalking.

1C-3b. Domestic Violence—Community Need Data.

Applicants must describe how the CoC uses de-identified aggregate data from a comparable database to assess the special needs related to domestic violence, dating violence, sexual assault, and stalking. (limit 2,000 characters)

Data regarding the community’s DV services and the population receiving such services is regularly recorded in an HMIS comparable database. Aggregate unidentifiable data is shared with funding providers as required and is also shared with the public through annual reports. The information gathered within the databases are tools for DV providers and the CoC to use and provide the needed assistance to project participants while maintaining confidentiality.

*1C-4. PHAs within CoC. Attachments Required.

Applicants must submit information for the two largest PHAs or the two PHAs with which the CoC has a working relationship within the CoC’s geographic area.

1C-4a. PHAs’ Written Policies on Homeless Admission Preferences.

Applicants must:
1. provide the steps the CoC has taken, with the two largest PHAs within the CoC’s geographic area or the two PHAs the CoC has working relationships with, to adopt a homeless admission preference—if the CoC only has one PHA within its geographic area, applicants may respond for one; or
2. state that the CoC does not work with the PHAs in its geographic area. (limit 2,000 characters)

(1) The Collaborative Applicant’s Chief Executive Officer met with representatives of the Mobile Housing Board in May 2019. The Mobile Housing Board has included preference for housing the homeless in their program. On
May 16, 2019 the CoC met with a representative of the Citronelle PHA and the Foley PHA. The Citronelle PHA has placed housing the homeless as their first priority. They are open to referrals and available CoC services. The Foley PHA continue to have no preference on prioritizing the homeless. The CoC also met with the Chickasaw PHA on May 23, 2019. The Chickasaw PHA does not give preference to housing the homeless. On June 24, 2019, the CoC met with the Bay Minette PHA who has adopted a homeless admission preference. The CoC will continue to work with the local PHA’s to establish a framework for prioritizing housing for the homeless.

(2) Not applicable.

1C-4b. Moving On Strategy with Affordable Housing Providers.

Applicants must indicate whether the CoC has a Moving On Strategy with affordable housing providers in its jurisdiction.

Yes

If “Yes” is selected above, describe the type of provider, for example, multifamily assisted housing owners, PHAs, Low Income Tax Credit (LIHTC) developments, or local low-income housing programs. (limit 1,000 characters)

Coc-funded projects are encouraged to utilize client-centered case plans which seek to create long-term housing stability for program participants. Often, such case plans include applying for housing with affordable housing providers. For example, Rapid Re-Housing projects may encourage participants to apply for low-income housing while they are receiving rental assistance and supportive services in other Permanent Housing. At the end of CoC-funded assistance, additional affordable housing options provides participants with greater choice in their housing. During an annual review, the CoC Project Monitoring Committee reviews participant files to ensure the existence of appropriate housing plans - which may involve coordination with affordable housing providers.

1C-5. Protecting Against Discrimination.

Applicants must describe the actions the CoC has taken to address all forms of discrimination, such as discrimination based on any protected classes under the Fair Housing Act and 24 CFR 5.105(a)(2) – Equal Access to HUD-Assisted or -Insured Housing. (limit 2,000 characters)

Coordinated Entry staff communicates with emergency shelters and other project staff during the referral process to ensure all individuals and their families are appropriately housed in accordance with HUD’s Equal Access Rule and are not discriminated against. The staff participates in the annual LGBT training conducted by the Mobile County Health Department. The Coc also address discrimination with its "Fair Housing" policy in its current policies and procedures. To support the CoC's stance against all discrimination, the Collaborative Applicant has conducted discrimination and client rights training during its quarterly meetings. The CoC is continuously seeking involvement
from individuals of all protected classes.

*1C-5a. Anti-Discrimination Policy and Training.

Applicants must indicate whether the CoC implemented an anti-discrimination policy and conduct training:

1. Did the CoC implement a CoC-wide anti-discrimination policy that applies to all projects regardless of funding source? Yes
2. Did the CoC conduct annual CoC-wide training with providers on how to effectively address discrimination based on any protected class under the Fair Housing Act? Yes
3. Did the CoC conduct annual training on how to effectively address discrimination based on any protected class under 24 CFR 5.105(a)(2) – Equal Access to HUD-Assisted or -Insured Housing? Yes

*1C-6. Criminalization of Homelessness.

Applicants must select all that apply that describe the strategies the CoC implemented to prevent the criminalization of homelessness in the CoC’s geographic area.

1. Engaged/educated local policymakers: X
2. Engaged/educated law enforcement: X
3. Engaged/educated local business leaders: X
4. Implemented communitywide plans:
5. No strategies have been implemented:
6. Other:(limit 50 characters)
   CA’s General Counsel reviews local ordinances X

1C-7. Centralized or Coordinated Assessment System. Attachment Required.

Applicants must:
1. demonstrate the coordinated entry system covers the entire CoC geographic area;
2. demonstrate the coordinated entry system reaches people who are least likely to apply for homelessness assistance in the absence of special outreach; and
3. demonstrate the assessment process prioritizes people most in need of assistance and ensures they receive assistance in a timely manner. (limit 2,000 characters)

(1) The CE system conducts outreach across the CoC’s entire geographic area and is well-advertised at events targeting homeless persons. The CE partners with social service agencies, law enforcement, faith based organizations and public services (e.g., libraries) which regularly encounter persons experiencing homelessness. These partners have been provided information about the system & are asked to assist in connecting with homeless persons. Street outreach coupled with such partnerships ensures adequate coverage of the entire area and is well represented by members of the protective class. (2) Clients aren’t required to enter a central site for services. Coordination with agencies who often interact with persons experiencing homelessness ensures information concerning services is readily available. Regular outreach to areas with high concentrations of persons experiencing homelessness builds relationships & trust which is critical for engaging those reluctant to assistance. Relationships with school systems & McKinney Vento Liaisons seeks to connect with homeless families or UAY who are afraid or reluctant to access the system. Partnership with the PATH outreach team, staffed by mental health professionals specialized in serving persons with Severe Mental Illness, leads to greater results in reaching & serving persons experiencing homelessness who suffer from mental illness & otherwise may not seek assistance. (3) Prioritization assessments conducted by CE staff include the Vulnerability Index Service Prioritization and Decision Assistance Tool (VI-SPDAT) and locally developed criterion. Local priorities, in order: chronically homeless, UAY, children and/ or pregnancy, disabling condition, fleeing DV, literally homeless with no other given criteria, & imminent risk. These assessments focus on information pertinent to needs, barriers, and eligibility and seeks to promote low-barrier access to the assistance system.

Warning! The CoC Application score could be affected if information is incomplete on this formlet.

*1E-1. Local CoC Competition–Announcement, Established Deadline, Applicant Notifications. Attachments Required.

Applicants must indicate whether the CoC:

| 1. informed project applicants in its local competition announcement about point values or other ranking criteria the CoC would use to rank projects on the CoC Project Listings for submission to HUD for the FY 2019 CoC Program Competition; | Yes |
| 2. established a local competition deadline, and posted publicly, for project applications that was no later than 30 days before the FY 2019 CoC Program Competition Application submission deadline; | Yes |
| 3. notified applicants that their project application(s) were being rejected or reduced, in writing along with the reason for the decision, outside of e-snaps, at least 15 days before the FY 2019 CoC Program Competition Application submission deadline; and | Yes |
| 4. notified applicants that their project applications were accepted and ranked on the CoC Priority Listing in writing, outside of e-snaps, at least 15 days before the FY 2019 CoC Program Competition Application submission deadline. | Yes |

Applicants must indicate whether the CoC used the following to rank and select project applications for the FY 2019 CoC Program Competition:

| 1. Used objective criteria to review and rank projects for funding (e.g., cost effectiveness of the project, performance data, type of population served); | Yes |
| 2. Included one factor related to improving system performance (e.g., exits to permanent housing (PH) destinations, retention of PH, length of time homeless, returns to homelessness, job/income growth, etc.); and | Yes |
| 3. Included a specific method for evaluating projects submitted by victim services providers that utilized data generated from a comparable database and evaluated these projects on the degree they improve safety for the population served. | Yes |

Applicants must describe:
1. the specific severity of needs and vulnerabilities the CoC considered when reviewing and ranking projects; and
2. how the CoC takes severity of needs and vulnerabilities into account when reviewing and ranking projects.
(limit 2,000 characters)

(1) The CoC considers the following needs and vulnerabilities when reviewing, ranking, and rating projects: Chronic homeless, unaccompanied youth and families, individuals affected by a physical or developmental disability or a serious medical condition which may worsen while experiencing homelessness, individuals and families fleeing domestic violence, and both sheltered and unsheltered homeless as defined in the Homeless Rule. (2) During the review, rating, and ranking process the CoC considered the availability of beds for all needs and vulnerable populations listed in question 1. Likewise, the CoC considered each listed need and vulnerable population when determining 2019 CoC Priorities. Individual project ratings are reviewed by the CoC within the context of how the projects efforts are uniquely serving a vulnerable population. To elaborate, the CoC has determined that it would reserve the right to remove a project from Tier 2 - regardless of performance-based score - if the project serves a vulnerable and under-served population. Lastly, the CoC continues to encourage 100% participation in the CE process, which is designed to prioritize the previously listed needs and vulnerabilities.

Applicants must:
1. indicate how the CoC made public the review and ranking process the CoC used for all project applications; or
2. check 6 if the CoC did not make public the review and ranking process; and
3. indicate how the CoC made public the CoC Consolidated Application–including the CoC Application and CoC Priority Listing that includes all project applications accepted and ranked or rejected—which HUD required CoCs to post to their websites, or partners websites, at least 2 days before the FY 2019 CoC Program Competition application submission deadline; or
4. check 6 if the CoC did not make public the CoC Consolidated Application.

### 1E-5. Reallocation between FY 2015 and FY 2018.

Applicants must report the percentage of the CoC’s ARD that was reallocated between the FY 2015 and FY 2018 CoC Program Competitions.

**Reallocation:** 2%

### 1E-5a. Reallocation—CoC Review of Performance of Existing Projects.

Applicants must:
1. describe the CoC written process for reallocation;
2. indicate whether the CoC approved the reallocation process;
3. describe how the CoC communicated to all applicants the reallocation process;
4. describe how the CoC identified projects that were low performing or for which there is less need; and
5. describe how the CoC determined whether projects that were deemed low performing would be reallocated.

(limit 2,000 characters)

(1) The CoC's written process is the ranking methodology which describes the reallocation process. The ranking methodology consists of detailed information regarding project eligibility (both new/renewal), threshold requirements acceptance and rejection of projects as well as the scoring criteria. It is reviewed / revised / approved by the CoC before publishing to the CA's website.
(2) The CoC approved the reallocation process contained within the ranking methodology on August 14, 2019. (3) The CoC communicated to all applicants by mass email to approximately 400+ agencies, faith based organizations and individuals on July 19, 2019. The CoC posted the approved ranking methodology to the Collaborative Applicant's website on August 15, 2019. (4) The CoC reviewed each project's data (APRs, Monitoring Reports, overall performance, financial status including draw-downs, HMIS reports, etc.) to obtain status of the overall project performance / continued need. The CoC conducted a ranking/project review meeting on September 10, 2019 and a final ranking review on September 13, 2019 utilizing the approved methodology, the FY2019 NOFA and detail project documentation. After discussion, the ranking scores provided information regarding the low performing or no-longer-needed projects. (5) After the CoC's review/discussion of each project's documentation and ranking scores, the final determination was made to either distribute funding in whole or in part from a lower performing project to a higher performing project according to the CoC's local (geographical) priorities.

**Warning!** The CoC Application score could be affected if information is incomplete on this formlet.

**2B-1. PIT Count Date.** 01/22/2019
Applicants must enter the date the CoC conducted its 2019 PIT count (mm/dd/yyyy).

**2B-2. PIT Count Data–HDX Submission Date.** 04/30/2019
Applicants must enter the date the CoC submitted its PIT count data in HDX (mm/dd/yyyy).

**2B-3. Sheltered PIT Count–Change in Implementation.**

Applicants must describe:
1. any changes in the sheltered count implementation, including methodology or data quality methodology changes from 2018 to 2019, if applicable; and
2. how the changes affected the CoC’s sheltered PIT count results; or
3. state “Not Applicable” if there were no changes.
(limit 2,000 characters)

(1) There was an overall decrease in total emergency shelter beds between 2018 and 2019. Programmatic changes at Waterfront Rescue Mission and Christ N Us Ministry resulted in reductions to the emergency shelter bed inventory for each provider, as beds were reallocated for use in alternative program components. (2) The results of the changes are as follows: Waterfront Rescue Mission: 64 beds in 2018 to 36 beds in 2019; Christ N Us Ministry: 20 beds in 2018 to three beds in 2019. Ten (10) Transitional Housing beds added with the inclusion of a newly funded CoC project, MAIC Returning Citizens TH Housing Program. (3) No other changes to implementation, including
methodology or data quality.

*2B-4. Sheltered PIT Count–Changes Due to Presidentially-declared Disaster.

Applicants must select whether the CoC added or removed emergency shelter, transitional housing, or Safe-Haven inventory because of funding specific to a Presidentially-declared disaster, resulting in a change to the CoC’s 2019 sheltered PIT count. No

2B-5. Unsheltered PIT Count–Changes in Implementation.

Applicants must describe:
1. any changes in the unsheltered count implementation, including methodology or data quality methodology changes from 2018 to 2019, if applicable; and
2. how the changes affected the CoC’s unsheltered PIT count results; or
3. state “Not Applicable” if there were no changes.

*2B-6. PIT Count–Identifying Youth Experiencing Homelessness.

Applicants must:
Indicate whether the CoC implemented specific measures to identify youth experiencing homelessness in their 2019 PIT count. Yes

2B-6a. PIT Count–Involving Youth in Implementation.

Applicants must describe how the CoC engaged stakeholders serving youth experiencing homelessness to:
1. plan the 2019 PIT count;
2. select locations where youth experiencing homelessness are most likely to be identified; and
3. involve youth in counting during the 2019 PIT count.
(limit 2,000 characters)
(1) The CoC coordinated with the Mobile County Public School System and McKinney Vento Liaisons to ensure providers experienced with serving youth experiencing homelessness were available for conducting the count and providing input for effective methods of engaging youth experiencing homelessness. (2) The CoC identified family and youth friendly locations such as food pantries and areas frequented by youth. (3) No youth experiencing
homelessness were directly involved in counting during the 2019 PIT count.

2B-7. PIT Count–Improvements to Implementation.

Applicants must describe the CoC’s actions implemented in its 2019 PIT count to better count:
1. individuals and families experiencing chronic homelessness;
2. families with children experiencing homelessness; and
3. Veterans experiencing homelessness.
(limit 2,000 characters)

(1) Teams of surveyors were comprised of smaller groups. The teams were assigned designated areas known for high concentrations of persons experiencing chronic homelessness. Team members were comprised of seasoned service providers well known by many experiencing chronic homelessness. Teams assigned to other areas included at least one seasoned service provider for the benefit of directly engaging persons experiencing chronic homelessness. (2) The Mobile County Public School System was involved in conducting the PIT count, and survey teams were assigned to food banks and other family-centric locations. (3) Three survey teams were dedicated to canvassing areas known for high concentrations of homeless veterans. These teams were comprised solely of VA and SSVF staff. The survey tool was updated to request additional PII from persons reporting veteran status. This allowed for more accurate reporting and identification of persons not yet linked with available resources for veterans.

Warning! The CoC Application score could be affected if information is incomplete on this formlet.

*3A-1. First Time Homeless as Reported in HDX.

Applicants must:

Report the Number of First Time Homeless as Reported in HDX. 1,444

Applicants must:
1. describe the process the CoC developed to identify risk factors the CoC uses to identify persons becoming homeless for the first time;
2. describe the CoC's strategy to address individuals and families at risk of becoming homeless; and
3. provide the name of the organization or position title that is responsible for overseeing the CoC’s strategy to reduce the number of individuals and families experiencing homelessness for the first time. (limit 2,000 characters)

(1) The Coordinated Entry (CE) System maintains client level data concerning those who become homeless for the first time. Client level data contains information pertinent to episodes of homelessness and aids in identifying risk factors that assist in eliminating the return to homelessness. (2) There are current homeless prevention supports built into the CE system, including collaborative efforts with programs offering prevention services (e.g., ESG, SSVF, non-traditional community supports, etc.). Community resource packets and rapid linkage to services with prevention programs are available for individuals or families presenting as at-risk. (3) The Collaborative Applicant, as administrator of the CE system and several non-CoC Prevention projects, has
been charged with overseeing the CoC's efforts to reduce the number of persons experiencing homelessness for the first time.

*3A-2. Length of Time Homeless as Reported in HDX.

Applicants must:

| Report Average Length of Time Individuals and Persons in Families Remained Homeless as Reported in HDX. | 57 |

Applicants must:
1. describe the CoC’s strategy to reduce the length of time individuals and persons in families remain homeless;
2. describe how the CoC identifies and houses individuals and persons in families with the longest lengths of time homeless; and
3. provide the name of the organization or position title that is responsible for overseeing the CoC’s strategy to reduce the length of time individuals and families remain homeless.
(limit 2,000 characters)

(1) The CoC continues to encourage a Housing First approach, and regularly reviews project-level data to ensure both a reduction in LOT homeless and a reduction in the LOT between project entry and permanent housing move-in. These metrics are integrated with the CoC’s routine review of APR data as well as annual project review and ranking for the local CoC competition. (2) CE assessments seek to understand the LOT persons have experienced homelessness and subsequently provide rapid linkages to appropriate services. Further, those experiencing Chronic Homelessness receive top priority for project referral. (3) The Collaborative Applicant, as administrator of the CE system and several non-CoC Prevention projects, has been charged with overseeing the CoC’s efforts to reduce the length of time individuals and families remain homeless.

*3A-3. Successful Permanent Housing Placement and Retention as Reported in HDX.

Applicants must:

| 1. Report the percentage of individuals and persons in families in emergency shelter, safe havens, transitional housing, and rapid rehousing that exit to permanent housing destinations as reported in HDX. | 26% |
| 2. Report the percentage of individuals and persons in families in permanent housing projects, other than rapid rehousing, that retain their permanent housing or exit to permanent housing destinations as reported in HDX. | 97% |

3A-3a. Exits to Permanent Housing Destinations/Retention of Permanent Housing.
Applicants must:
1. describe the CoC’s strategy to increase the rate at which individuals and persons in families in emergency shelter, safe havens, transitional housing and rapid rehousing exit to permanent housing destinations; 
2. provide the organization name or position title responsible for overseeing the CoC’s strategy to increase the rate at which individuals and persons in families in emergency shelter, safe havens, transitional housing and rapid rehousing exit to permanent housing destinations; 
3. describe the CoC’s strategy to increase the rate at which individuals and persons in families in permanent housing projects, other than rapid rehousing, retain their permanent housing or exit to permanent housing destinations; and 
4. provide the organization name or position title responsible for overseeing the CoC’s strategy to increase the rate at which individuals and persons in families in permanent housing projects, other than rapid rehousing, retain their permanent housing or exit to permanent housing destinations.

(limit 2,000 characters)

(1) The CoC continues to encourage a Housing First approach and subsequent exits to PH destinations. Effectiveness, in terms of PH exits, is regularly reviewed by the CoC Project Monitoring Committee and during the annual ranking process for CoC-funded projects. The CE maintains relationships with area emergency shelters, TH projects, and RRH projects to connect participants with the most appropriate providers to facilitate successful exit to PH destinations. CE provides information concerning affordable housing, income-based housing, and senior housing to participants through Case Management - while working to facilitate entry to PH and RRH projects. The CoC is continuing to work with local PHA’s to secure more options for PH upon exit from ES, TH, and RRH. (2) The Collaborative Applicant, Housing First, Inc. oversees the CoC’s strategy for increasing the rate of individuals exiting to permanent housing destinations. (3) Regular review of PH projects includes the rate at which participants retain PH or exit to other PH destinations. Effectiveness in this area is part of the annual ranking process for the CoC competition. PH projects are encouraged to facilitate community linkages and access to mainstream benefits/employment through Case Management during project enrollment. Coordinated Entry and CoC-funded projects seek to connect participants with community support networks, mainstream resources, and employment, as desired, to supplement access to PH and prevent further returns to homelessness. (4) The Collaborative Applicant, Housing First, Inc. oversees the CoC’s strategy for increasing the rate of individuals and families retain their permanent housing or to exit to permanent housing destinations.

*3A-4. Returns to Homelessness as Reported in HDX.

Applicants must:

</tr>
</tbody>
</table>
3A-4a. Returns to Homelessness–CoC Strategy to Reduce Rate.

Applicants must:
1. describe the strategy the CoC has implemented to identify individuals and persons in families who return to homelessness;
2. describe the CoC’s strategy to reduce the rate of additional returns to homelessness; and
3. provide the name of the organization or position title that is responsible for overseeing the CoC’s strategy to reduce the rate individuals and persons in families return to homelessness.

(1) The CoC through CE, utilize the CE assessment process which provides the information needed to quickly identify individuals and persons within families who may return to homelessness. With the current information additional support mechanisms can be offered to the participants in hopes of avoiding a re-entry to homelessness. (2) Coordinated Entry and CoC-funded projects seek to connect participants with community support networks, mainstream resources, and employment, as desired, to supplement access to PH and prevent further returns to homelessness. (3) The Collaborative Applicant, Housing First, Inc. oversees the CoC’s strategy for reducing the rate individuals and persons in families return to homelessness.

*3A-5. Cash Income Changes as Reported in HDX.

Applicants must:

1. Report the percentage of individuals and persons in families in CoC Program-funded Safe Haven, transitional housing, rapid rehousing, and permanent supportive housing projects that increased their employment income from entry to exit as reported in HDX.
2. Report the percentage of individuals and persons in families in CoC Program-funded Safe Haven, transitional housing, rapid rehousing, and permanent supportive housing projects that increased their non-employment cash income from entry to exit as reported in HDX.

<table>

Applicants must:
1. describe the CoC’s strategy to increase employment income;
2. describe the CoC’s strategy to increase access to employment;
3. describe how the CoC works with mainstream employment organizations to help individuals and families increase their cash income; and
4. provide the organization name or position title that is responsible for overseeing the CoC’s strategy to increase jobs and income from employment.

(1) The CoC’s strategy to increase employment income is to collect information about current job training and employment resources to provide referrals of homeless individuals during the CE process. (2) The CoC’s strategy to increase
access to employment is to be knowledgeable of the resources available within
the geographical area and provide those resources to program participants
during the CE process. (3) The CoC-funded projects maintain relationships with
workforce development programs such as "Alabama Works!" and a multitude of
area staffing/employment agencies as a means of increasing participants
income. Access to employment resources is an integral component of client-
centered case plans.
(4) The Collaborative Applicant is responsible for overseeing the CoC's strategy
and progress in increasing employment and income growth for project
participants.

Applicants must:
1. describe the CoC's strategy to increase non-employment cash income;
2. describe the CoC’s strategy to increase access to non-employment
   cash sources;
3. provide the organization name or position title that is responsible for
   overseeing the CoC’s strategy to increase non-employment cash income.

1) The CoC has a standing working relationship with workforce development
programs to assist CoC-funded project participants in facilitating more-rapid
access to employment income. CoC-funded projects are regularly provided
information concerning how to access mainstream resources available within
the community for increased non-employment cash sources. Regular review of
CoC-funded projects includes measures to assist participants in increasing
employment and non-employment income. (2) The CoC-funded projects
maintain relationships with workforce development programs such as Alabama
Works! and a multitude of area staffing/employment agencies. Access to
employment resources is an integral component of client-centered case plans.
(3) The Collaborative Applicant is responsible for overseeing the CoC's strategy
to increase non-employment cash income.

Applicants must describe how the CoC:
1. promoted partnerships and access to employment opportunities with
   private employers and private employment organizations, such as holding
   job fairs, outreach to employers, and partnering with staffing agencies;
   and
2. is working with public and private organizations to provide meaningful,
   education and training, on-the-job training, internship, and employment
   opportunities for residents of permanent supportive housing that further
   their recovery and well-being.
   (limit 2,000 characters)

(1) During the CE process, the participants are referred to various programs for
assistance. At this time, their employment and educational needs are known
and they are referred to the proper agency to support their employment and
educational needs. The participants are in constant contact with case
management to aid in increasing income and self sufficiency.
(2) The CoC holds an annual day of service entitled "Project Homeless
Connect.” During this one-day event employers receive applications and conduct on-site interviews with attendees. We also partner with Goodwill Easter Seals, Alabama Department of Rehabilitation Services and the Alabama Career center by making client level referrals.

Applicants must select all the steps the CoC has taken to promote employment, volunteerism and community service among people experiencing homelessness in the CoC’s geographic area:

1. The CoC trains provider organization staff on connecting program participants and people experiencing homelessness with education and job training opportunities.
2. The CoC trains provider organization staff on facilitating informal employment opportunities for program participants and people experiencing homelessness (e.g., babysitting, housekeeping, food delivery).
3. The CoC trains provider organization staff on connecting program participants with formal employment opportunities.
4. The CoC trains provider organization staff on volunteer opportunities for program participants and people experiencing homelessness.
5. The CoC works with organizations to create volunteer opportunities for program participants.
6. The CoC works with community organizations to create opportunities for civic participation for people experiencing homelessness (e.g., townhall forums, meeting with public officials).
7. Provider organizations within the CoC have incentives for employment.
8. The CoC trains provider organization staff on helping program participants budget and maximize their income to maintain stability in permanent housing.

3B-1a. Rapid Rehousing of Families with Children.
Applicants must:
1. describe how the CoC currently rehouses every household of families with children within 30 days of becoming homeless that addresses both housing and service needs;
2. describe how the CoC addresses both housing and service needs to ensure families with children successfully maintain their housing once
assistance ends; and
3. provide the organization name or position title responsible for overseeing the CoC’s strategy to rapidly rehouse families with children within 30 days of them becoming homeless.
(limit 2,000 characters)

(1) The CoC Policies and Procedures encourage adherence to the Housing First Model. Additionally, the CoC decided in FY2018 to automatically rank projects not adhering to the Housing First Model in Tier 2 to further encourage this evidence-based practice. Families with children experiencing homelessness are prioritized through the CE process and referred to family and youth service providers operating under the Housing First Model. This ensures families with children receive rapid housing placement. Along with the CE assessment, the families’ service needs are assessed and services are offered in the needed areas.

(2) CoC-funded projects dedicated to families and youth, along with ESG-funded rapid re-housing projects in the CoC’s geographic area, employ intensive housing stability case management services to ensure housing placement is coupled with holistic care aimed to provide the knowledge and resources necessary for families with children to obtain and retain long-term housing stability. Additionally, supportive services are available to these families after entering permanent housing.

(3) Housing First, Inc. - the collaborative applicant - has been charged with overseeing the CoC’s strategy and progress in rapidly rehousing families. Coordinated Entry staff ensure the prioritization of families, and project staff build case plans which are focused on the speed and effectiveness of rapid re-housing.

3B-1b. Antidiscrimination Policies.

Applicants must check all that apply that describe actions the CoC is taking to ensure providers (including emergency shelter, transitional housing, and permanent housing (PSH and RRH)) within the CoC adhere to antidiscrimination policies by not denying admission to or separating any family members from other members of their family or caregivers based on any protected classes under the Fair Housing Act, and consistent with 24 CFR 5.105(a)(2) – Equal Access to HUD-Assisted or -Insured Housing.

1. CoC conducts mandatory training for all CoC- and ESG-funded housing and services providers on these topics.

2. CoC conducts optional training for all CoC- and ESG-funded housing and service providers on these topics.

3. CoC has worked with ESG recipient(s) to adopt uniform anti-discrimination policies for all subrecipients.

4. CoC has worked with ESG recipient(s) to identify both CoC- and ESG-funded facilities within the CoC geographic area that might be out of compliance and has taken steps to work directly with those facilities to come into compliance.

3B-1c. Unaccompanied Youth Experiencing Homelessness–Addressing Needs.

Applicants must indicate whether the CoC’s strategy to address the
unique needs of unaccompanied youth experiencing homelessness who are 24 years of age and younger includes the following:

| 1. Unsheltered homelessness       | Yes |
| 2. Human trafficking and other forms of exploitation | Yes |
| 3. LGBT youth homelessness        | Yes |
| 4. Exits from foster care into homelessness | Yes |
| 5. Family reunification and community engagement | Yes |
| 6. Positive Youth Development, Trauma Informed Care, and the use of Risk and Protective Factors in assessing youth housing and service needs | Yes |

3B-1c.1. Unaccompanied Youth Experiencing Homelessness–Prioritization Based on Needs.

Applicants must check all that apply that describes the CoC’s current strategy to prioritize unaccompanied youth based on their needs.

| 1. History of, or Vulnerability to, Victimization (e.g., domestic violence, sexual assault, childhood abuse) | X |
| 2. Number of Previous Homeless Episodes | X |
| 3. Unsheltered Homelessness | X |
| 4. Criminal History | |
| 5. Bad Credit or Rental History | |

3B-1d. Youth Experiencing Homelessness–Housing and Services Strategies.

Applicants must describe how the CoC increased availability of housing and services for:
- 1. all youth experiencing homelessness, including creating new youth-focused projects or modifying current projects to be more youth-specific or youth-inclusive; and
- 2. youth experiencing unsheltered homelessness including creating new youth-focused projects or modifying current projects to be more youth-specific or youth-inclusive.

(limit 3,000 characters)

(1) The CoC has received additional funding for the FYS Expansion project to expand Supportive Services to participants dedicated to families and unaccompanied youth. These additional services have allowed the CoC to increase the intensity of case management to UAY and provide additional access to educational and employment services. UAY experiencing homelessness receive the second highest referral priority through the CE system, following persons experiencing chronic homelessness. (2) The CoC
seeks to increase the availability of the services described in question 1 through continued relationships with youth providers, local school systems, and increased outreach to areas frequented by UAY.

3B-1d.1. Youth Experiencing Homelessness–Measuring Effectiveness of Housing and Services Strategies.

Applicants must:
1. provide evidence the CoC uses to measure each of the strategies in question 3B-1d. to increase the availability of housing and services for youth experiencing homelessness;
2. describe the measure(s) the CoC uses to calculate the effectiveness of both strategies in question 3B-1d.; and
3. describe why the CoC believes the measure it uses is an appropriate way to determine the effectiveness of both strategies in question 3B-1d. (limit 3,000 characters)

(1) The CoC maintains regular contact with CoC-funded and mainstream youth service providers and reviews APR data, HIC data, bed utilization data, and localized community-need information to remain informed on the best inform on the best/latest strategies for increasing and utilizing the availability of housing and services for youth experiencing homelessness. (2) The CoC primarily uses APR data from the Coordinated Entry system to assess the effectiveness of such strategies. Specifically, the Coordinated Entry monitors youth experiencing homelessness to ensure expeditious services and permanent housing destinations. Over the last operating year, the Coordinated Entry system continued to work with projects and mainstream providers serving youth experiencing homelessness. (3) The CoC is committed to ensuring homelessness is brief, rare, and not recurring, particularly for vulnerable youth households. The CoC’s chosen measurements represent this commitment.

3B-1e. Collaboration–Education Services.

Applicants must describe:

1. the formal partnerships with:
   a. youth education providers;
   b. McKinney-Vento LEA or SEA; and
   c. school districts; and

2. how the CoC collaborates with:
   a. youth education providers;
   b. McKinney-Vento Local LEA or SEA; and
   c. school districts.

(limit 2,000 characters)

1.a. There are MOUs in place between the Mobile County Public School System (MCPSS) and the CoC-funded projects serving families with children and unaccompanied youth to coordinate case management and educational services.
1.b. Two McKinney-Veto education liaisons for the MCPSS resides on the CoC Board of Directors.
1.c. The CoC partners with and has an MOU with the Mobile County Public School System to provide case management, counseling and other supportive services to students within the local school system.

2.a. The CoC partners with mainstream youth service providers such as the MCPSS to ensure stakeholders serving youth provide regular input.

2.b. Two McKay-Vento education liaisons for the MCPSS resides on the CoC Board of Directors.

2.c. As outlined in #2a and #2b above, the MCPSS provides regular and vital input and leadership to the CoC regarding the youth within the geographical area.

3B-1e.1. Informing Individuals and Families Experiencing Homeless about Education Services Eligibility.

Applicants must describe policies and procedures the CoC adopted to inform individuals and families who become homeless of their eligibility for education services.

(limit 2,000 characters)

The CoC within its case management services requires projects and designated staff to assist participants in obtaining needed educational assistance or other supportive services to address the participant's identified needs and goals. During the intake assessment educational needs and concerns are identified and addressed. This allows the participants to become informed of educational and other eligible services within the area and assist the case manager in developing an education/service plan to better support the participant.

3B-1e.2. Written/Formal Agreements or Partnerships with Early Childhood Services Providers.

Applicant must indicate whether the CoC has an MOU/MOA or other types of agreements with listed providers of early childhood services and supports and may add other providers not listed.

3B-2. Active List of Veterans Experiencing Homelessness.

   Applicant must indicate whether the CoC uses an active list or by-name list to identify all veterans experiencing homelessness in the CoC.  

   Yes

3B-2a. VA Coordination—Ending Veterans Homelessness.

   Applicants must indicate whether the CoC is actively working with the U.S. Department of Veterans Affairs (VA) and VA-funded programs to achieve the benchmarks and criteria for ending veteran homelessness.  

   Yes

3B-2b. Housing First for Veterans.

   Applicants must indicate whether the CoC has sufficient resources to ensure each veteran experiencing homelessness is assisted to quickly move into permanent housing using a Housing First approach.  

   Yes

   Applicants must:

Applicants must:
1. describe how the CoC systematically keeps program staff up to date regarding mainstream resources available for program participants (e.g., Food Stamps, SSI, TANF, substance abuse programs) within the geographic area;
2. describe how the CoC disseminates the availability of mainstream resources and other assistance information to projects and how often;
3. describe how the CoC works with projects to collaborate with healthcare organizations to assist program participants with enrolling in...
health insurance;
4. describe how the CoC provides assistance with the effective utilization of Medicaid and other benefits; and
5. provide the name of the organization or position title that is responsible for overseeing the CoC’s strategy for mainstream benefits.
(limit 2,000 characters)

(1) The CoC has established relationships with the Department of Human Resources (DHR), the US Attorneys Office (Southern District), WAVE public transit and local food pantries. The CoC project staff are annually provided an updated list of mainstream benefits. This resource provides descriptions of each benefit to help clients understand available resources and includes links and steps to apply for said benefits. (2) One of the CoC’s CE objectives is to improve the assessment and referral process for linking homeless individuals and families with the appropriate housing services. The goal is to facilitate access to these resources by operating a system that has ease of use and responds timely and effectively. On an as-needed basis the CoC provides project participants with mainstream assistance information (agencies), funding sources and other key partner resources. (3) The CoC works with organizations such as the Franklin Primary Health Care Center, the Mobile County Health Department and local hospitals and other healthcare organizations to provide health screenings and medical referrals for program participants. Participants are also assisted in navigating health care options on an as-needed basis. Though most program participants have Medicaid, the CoC continues to assist participants with enrolling in qualified health care programs. (4) The CoC has program participants who are approved for Medicaid and other benefits. Case managers often aid program participants by directing them to the appropriate office for assistance, transporting the clients to appointments and assisting the participant in understanding the requirements of the health care coverage. Medicaid does not cover most dental care therefore program participants may be referred on an as-needed basis to the Lion’s Club for dental assistance. (5) The Collaborative Applicant - Housing First, Inc. - is responsible for overseeing the CoC’s mainstream benefits strategy.

4A-2. Lowering Barriers to Entry Data:

Applicants must report:

| 1. Total number of new and renewal CoC Program-funded PSH, RRH, SSO non-coordinated entry, Safe-Haven, and Transitional Housing projects the CoC has ranked in its CoC Priority Listing in FY 2019 CoC Program Competition. | 8 |
| 2. Total number of new and renewal CoC Program-funded PSH, RRH, SSO non-coordinated entry, Safe-Haven, and Transitional Housing projects the CoC has ranked in its CoC Priority Listing in FY 2019 CoC Program Competition that reported that they are lowering barriers to entry and prioritizing rapid placement and stabilization to permanent housing. | 8 |
| Percentage of new and renewal PSH, RRH, Safe-Haven, SSO non-Coordianted Entry projects the CoC has ranked in its CoC Priority Listing in the FY 2019 CoC Program Competition that reported that they are lowering barriers to entry and prioritizing rapid placement and stabilization to permanent housing. | 100% |

Applicants must:
1. describe the CoC’s street outreach efforts, including the methods it uses to ensure all persons experiencing unsheltered homelessness are
identified and engaged;
2. state whether the CoC’s Street Outreach covers 100 percent of the CoC’s geographic area;
3. describe how often the CoC conducts street outreach; and
4. describe how the CoC tailored its street outreach to persons experiencing homelessness who are least likely to request assistance.
(limit 2,000 characters)

(1) Street Outreach is conducted by Outreach Specialists (OR) who conduct regular, and frequent outreach to those experiencing homelessness in the CoC’s geographic area. OR travels to encampments, locations frequented by homeless individuals and families, emergency shelters, food pantries, and community events targeting the homeless for services. OR also collaborates with local service providers, churches, DV shelters, emergency shelters, and other local agencies to help identify individuals experiencing homelessness. (2) The CoC’s Street Outreach covers 100% of the geographic area. Using a combination of Street Outreach and relationships with area partners, Outreach Workers are able to effectively cover the entire CoC area, and provide assistance to anyone who presents themselves as experiencing homelessness. Street Outreach targets areas known to have homeless individuals and families, and uses information from local providers to locate new encampments and locations frequented by the homeless. Local partners are provided with information about available programs, and assist in connecting homeless persons with an Outreach Worker. (3) Street Outreach is conducted on a daily basis. (4) Outreach workers are able to offer assistance to those experiencing homelessness, where they are located. Clients are not required to come to a central location to access services. Outreach workers provide regular and consistent outreach to areas with high concentrations of homeless persons to help build relationships and trust, which are vital for those who are reluctant to request assistance. By working with local Veteran organizations, Street Outreach is able to locate more veterans who may not openly identify as homeless to the non-veteran community. Outreach also utilizes the assistance of local service providers to reach those who are able to connect individuals with diverse backgrounds and needs to an Outreach Worker for Services.

4A-4. RRH Beds as Reported in HIC.

4A-5. Rehabilitation/Construction Costs–New Projects. No Applicants must indicate whether any new project application the CoC ranked and submitted in its CoC Priority Listing in the FY 2019 CoC Program Competition is requesting
$200,000 or more in funding for housing rehabilitation or new construction.

4A-6. Projects Serving Homeless under Other Federal Statutes. No

Applicants must indicate whether the CoC is requesting to designate one or more of its SSO or TH projects to serve families with children or youth defined as homeless under other federal statutes.

FY2018 - Performance Measurement Module (Sys PM)

Summary Report for AL-501 - Mobile City & County/Baldwin County CoC

Measure 1: Length of Time Persons Remain Homeless

This measure the number of clients active in the report date range across ES, SH (Metric 1.1) and then ES, SH and TH (Metric 1.2) along with their average and median length of time homeless. This includes time homeless during the report date range as well as prior to the report start date, going back no further than October, 1, 2012.

Metric 1.1: Change in the average and median length of time persons are homeless in ES and SH projects.
Metric 1.2: Change in the average and median length of time persons are homeless in ES, SH, and TH projects.

a. This measure is of the client’s entry, exit, and bed night dates strictly as entered in the HMIS system.

<table>

</tr>
</tbody>
</table>

b. This measure is based on data element 3.17.

This measure includes data from each client’s Living Situation (Data Standards element 3.917) response as well as time spent in permanent housing projects between Project Start and Housing Move-In. This information is added to the client’s entry date, effectively extending the client’s entry date backward in time. This “adjusted entry date” is then used in the calculations just as if it were the client’s actual entry date.

The construction of this measure changed, per HUD’s specifications, between FY 2016 and FY 2017. HUD is aware that this may impact the change between these two years.

Measure 2: The Extent to which Persons who Exit Homelessness to Permanent Housing Destinations Return to Homelessness

This measures clients who exited SO, ES, TH, SH or PH to a permanent housing destination in the date range two years prior to the report date range. Of those clients, the measure reports on how many of them returned to homelessness as indicated in the HMIS for up to two years after their initial exit.

After entering data, please review and confirm your entries and totals. Some HMIS reports may not list the project types in exactly the same order as they are displayed below.

This is a new tab for FY 2016 submissions only. Submission must be performed manually (data cannot be uploaded). Data coverage and quality will allow HUD to better interpret your Sys PM submissions.

Your bed coverage data has been imported from the HIC module. The remainder of the data quality points should be pulled from data quality reports made available by your vendor according to the specifications provided in the HMIS Standard Reporting Terminology Glossary. You may need to run multiple reports into order to get data for each combination of year and project type.

You may enter a note about any field if you wish to provide an explanation about your data quality results. This is not required.

COMMUNITY NOTICE
September 13, 2019

The (CoC AL-501) Homeless Coalition of the Alabama Gulf Coast Board of Directors finalized the CoC Program Competition Project Ranking for FY 2019. This dictates which projects will be included in the CoC’s Collaborative Application to the U.S. Department of Housing and Urban Development (HUD). The ranking was completed on September 13, 2019 following an extensive review of all new and renewal projects and HUD’s guidance as set forth in the FY 2019 Notice of Funding Availability (NOFA). The FY2019 CoC Competition Final-Approved Ranking is attached to this email.

The FY 2019 Collaborative Application will be available for public review on September 28, 2019 at https://hfal.org/nofal/.

Thank you to all who participated in the CoC competition.

**Purpose:**

The purpose of the Homeless Coalition of the Alabama Gulf Coast is to coordinate and support efforts to end homelessness in Mobile County, Alabama, through a collaborative approach involving government agencies, non-profit organizations, and individuals.

---

**Objectives:**

1. **To end homelessness in Mobile County:**
   - Implement strategies to prevent homelessness among vulnerable populations.
   - Ensure that homeless individuals have access to shelter.
   - Provide case management services to help homeless individuals transition to stable housing.

2. **To support long-term economic self-sufficiency:**
   - Develop programs that assist homeless individuals in finding employment.
   - Offer financial literacy workshops and job training.

3. **To improve health and well-being:**
   - Collaborate with local health providers to offer health screening and referrals.
   - Provide access to mental health services.

---

**Tools and Resources:**

- **Support Management Information System (SMIS)**: This system helps in managing the information related to homeless individuals, ensuring that they receive the appropriate assistance.
- **Community Connection Network (CCN)**: Connects various organizations and resources to support homeless individuals.
- **Support and Training (S&T)**: Offers training programs for homeless individuals to prepare them for employment.
- **Community Housing Program (CHP)**: Provides funds for housing projects to help homeless individuals secure stable housing.

---

**Partners:**

- City of Mobile
- Mobile County
- Federal Housing Administration (FHA)
- U.S. Department of Housing and Urban Development (HUD)
- Other local and state agencies

---

**Annual Budget:**

The annual budget for the Homeless Coalition of the Alabama Gulf Coast is $1,350,677. This budget is allocated to various projects and programs aimed at addressing homelessness in Mobile County.

COMMUNITY NOTICE
September 13, 2019

The (CoC AL-501) Homeless Coalition of the Alabama Gulf Coast Board of Directors finalized the CoC Program Competition Project Ranking for FY 2019. This dictates which projects will be included in the CoC's Collaborative Application to the U.S. Department of Housing and Urban Development (HUD). The ranking was completed on September 13, 2019 following an extensive review of all new and renewal projects and HUD's guidance as set forth in the FY 2019 Notice of Funding Availability (NOFA). The FY2019 CoC Competition Final-Approved Ranking is attached to this email.

The FY 2019 Collaborative Application will be available for public review on September 28, 2019 at https://hfal.org/nofa1.

Thank you to all who participated in the CoC competition.

Renewal Project Applications

Dear Mr. Boulware;

Congratulations! We are pleased to inform you that Housing First, Inc.’s project applications listed below, for the Department of Housing and Urban Development’s (HUD) FY2019 Continuum of Care (CoC) Program Competition were accepted and ranked by the CoC Board of Directors for the Homeless Coalition of the Alabama Gulf Coast (CoC AL-501) on September 13, 2019.

The RRH Re-Housing for Families and Youth Expansion (FYS) project was reduced by $109,950 and funds reallocated to the Disabled Housing Program (DHP) project. The reallocation is due to the underperformance of the FYS renewal project in comparison to the other renewal projects. Attached is our determination for the FY2019 CoC Project Ranking, approved by the CoC Board of Directors on September 13, 2019. Please use in the submission of all new and renewal project applications in the FY2019 CoC Collaborative Application to HUD by September 30, 2019. Request for Proposals 2019.pdf
46K
INTRODUCTION

The U.S. Department of Housing and Urban Development (HUD) released the FY2019 Notice of Funding Availability (NOFA) for homeless assistance through HUD’s Continuum of Care Program on July 3, 2019.

As the Collaborative Applicant for the Homeless Coalition of the Alabama Gulf Coast (AL-501), Housing First, Inc. is accepting proposals for new projects that wish to use HUD CoC Program funding for homeless assistance.

The amount of funding to be available is estimated at approximately $3,811,801, which is the amount of currently funded projects seeking renewal funding plus 10% PPRN ($311,089) for Domestic Violence Bonus Projects and 6% ARD ($184,978) for additional Bonus Projects. Newly proposed and renewal projects will compete for available funds. All projects meeting threshold requirements will be eligible for prioritization for funding by the Homeless Coalition of the Alabama Gulf Coast. HUD will then award funds based on the CoC Application score and project criteria described in the FY2019 NOFA.

PUBLIC INFORMATION MEETING

A public meeting will be held on July 31, 2019 at 3:00 PM at the Ben May Main Library, 701 Government St., Mobile, AL 36602. Interested parties are encouraged to attend this meeting to receive additional information and participate in Q&A regarding this process.

ELIGIBLE APPLICANTS

To be eligible for CoC Program funding under this NOFA, project applicants must meet all both eligibility and threshold requirements contained in the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11381-11389) (the Act) as Amended by the HEARTH ACT, the CoC Program Interim Rule (24 CFR part 578) (the Rule), the FY2019 CoC Program Competition NOFA, and any HUD-published CoC Program guidance for new project applications.

The above documents can be found at https://www.hudexchange.info/
Prior to submitting an application, applicants should ensure they meet the following threshold criteria:

1) Applicant has a valid DUNS number
2) Applicant has no outstanding delinquent Federal debts
3) Applicant has no debarments and/or suspensions
4) Applicant has an accounting system
5) Applicant must disclose any violations of Federal criminal law
6) Active registration in the System for Award Management (SAM)
7) Applicant must demonstrate eligibility by providing the following:
   a. Signed authorization to apply for CoC funding
   b. Most recent IRS 990
   c. Most recent audit report and auditor’s management letter
   d. By-laws
   e. Articles of incorporation
   f. IRS 501(c)(3) designation letter
   g. Current board roster – including at least one homeless or formerly homeless member
   h. Copy of budget for the last operating year, the current operating year, and the next operating year - if available
   i. Copy of Code of Conduct/Ethics, Conflict of Interest Policy, and personnel, procurements, and accounting procedures
   j. Agreement to utilize the HMIS (or a HUD-approved alternative system for DV providers)

ELIGIBLE PROJECTS

24 CFR 578.37 states that Continuum of Care funds can be used for projects under five program components. They are:

1. Permanent Housing (including rapid rehousing and permanent supportive housing)
2. Transitional Housing
3. Supportive Services Only
4. HMIS
5. CoC Planning

Within the five program components listed above the following types of project applications are eligible submission in the FY2019 Program Competition. For more information see Section V. Eligibility Information.

Criteria for Applicants, Sub-section a. Project Applications for further explanation of the project types.

1) New Projects created through reallocation or CoC Bonus projects:
FY2019 CoC Program
AL-501

a. Permanent housing-permanent supportive housing (PH-PSH) projects

b. Permanent housing-rapid rehousing (PH-RRH) projects

c. Joint TH and PH-RRH component projects

d. Dedicated HMIS project for the costs at 24 CFR 578.37(a)(2) that can only be carried out by the HMIS lead

e. Supportive services only (SSO-CE) project to develop or operate a centralized or coordinated assessment system.

2) New Projects for Domestic Violence (DV) Bonus that are dedicated to serving survivors of domestic violence, dating violence, or stalking that are defined as homeless at 24 CFR 578.3:

a. Permanent Housing-Rapid Rehousing projects

b. Joint TH and PH-RRH component projects as defined in Section III.C.2.n of the 2019 NOFA

c. Supportive services only-coordinated entry project to implement policies, procedures, and practices that equip the CoC’s coordinated entry to better meet the needs of DV survivors.

3) Expansion Project - HUD will allow project applicants to apply for a new expansion project (see Section III.C.2.j of the 2019 NOFA) under the DV Bonus, reallocation, and CoC bonus processes to expand existing projects that will increase the number of units, persons served, services provided to existing program participants, or to add additional activities to HMIS and SSO-Coordinated Entry projects. If the new expansion project will expand an existing eligible CoC Program renewal project HUD will not fund capital costs (i.e., new constructions, rehabilitation, or acquisition) and HUD will only allow a 1-year funding request.

4) Consolidated Project - Applicants that intend to use the consolidation process to combine two or more eligible renewal projects (e.g., permanent housing-permanent supportive housing projects) may do so through the renewal project application.

5) Renewal Grants Per Unit Cost – Applicants requesting renewal of grants for rental assistance are permitted to request a per-unit amount less than the Fair Market Rent (FMR), if the actual rent per unit under lease is less than the FMR.
DEADLINE

Proposals must be received by Housing First, Inc. by 4:00 PM on Friday August 23, 2019.

SUBMISSION PROCEDURE

Please use the AL-501 CoC Program New Project Application Form found on the collaborative applicant’s website, www.hfal.org, to prepare and submit a proposal. Submit one hard-copy of the proposal with a cover letter signed by the organization’s authorized representative, as follows:

By mail or hand-delivered:
   Homeless Coalition of the Alabama Gulf Coast
   3929 Airport Blvd., Bldg. 3, Ste. 200
   Mobile, AL 36609

Serving signature dishes to her hometown

Chef Erica Barrett opening a restaurant on Dauphin Street

Lily Jackson / Jackson.com

She’s been on Shark Tank. She’s been on The Food. Her products have been featured on Oprah’s network and QVC. And now she’s coming back home. Atlanta-based chef Erica Barrett, owner and founder of Southern Culture Foods, is opening her first brick-and-mortar restaurant in Mobile, her hometown, in mid-to-late September. Her new restaurant, Southern Kitchen and Oyster Bar, will be located on Dauphin Street.

Recently launched her line of food-based in 2019, Southern Culture Foods started with a line of high-quality, gourmet panades and waffles mixes. The company then began selling bacon rubs and gourmet United States ground grids. Now, you’ll find cookbook, recipes books, and fried chicken mixes, too.

Barrett said the focus of her restaurant will be saxifrage and reserved Southern foods. And the already has a good idea of how people in Mobile feel about that direction, she hosted a pop-up event in September 2018 and sold 100 tickets at the location that she’ll soon occupy full time. Her parents paid cash to advance her signature crab-crab dish, and the seed was set.

She was asked repeatedly when she would be back. It’s been drawn for a white place to open a piece of her.

The feeling’s similar to no wedding day, she said. Overwhelming excitement with a tinge of nerves.

Barrett says the she’s excited Mobile because she was the half of the firm in renovating the city. Since she left home, she turned to the corporate world in Atlanta because she didn’t know whether she could make money as a chef.

She said she wanted many hours of Food Network growing up in her mother’s hair salon. She learned to appreciate good food after constantly enjoying the chaos there, she added.

And there is a chance that she will still be taking that appreciation to the rest of the state. Barrett said the from Mobile and Hiram, Ga., and she might take to these classes for expansion. It’s mindboggling to come full circle,” she said.

MONTGOMERY

Mistake halts Mobile killer’s execution

Jerred Taylor has been on Alabama’s death row since 1996, convicted of killing two people a year earlier in Mobile during a drug deal. The state’s latest plan to execute him is based on the news that he had opted for a new death row trial that hasn’t been developed.

On July 20, the Attorney General’s Office filed a motion asking the Alabama Supreme Court to set an execution date. brothet, 69-year-old Taylor’s lawyers, Joshua Myrick, presented a new option that Taylor had chosen to be executed by nitrogen hypnosis.

On Aug. 2, the Attorney General’s Office acknowledged the option but declined to withdraw the request as an execution date. In the motion, the state’s lawyers noted that the Alabama Department of Corrections “is not yet prepared to proceed with an execution by nitrogen hypnosis.”

No one has done execution by nitrogen hypnosis. Michigan and Oklahoma have also passed laws for nitrogen executions but have not announced a protocol. According to some experts, the method would involve a confined inmate breathing a gas mixture of pure nitrogen through a mask or a maskless setting. Ingestion consciousness and dying from lack of oxygen.

In August 1996, Alabama the news alert for about four hours before executing Taylor the triple-homicide at Mobile Motel and Government Reserve. Riddled with the holes and all of the wounds and .22 shells had been shot in the head.

Taylor and an accomplice — who later testified to the prosecution — fled to a Mustang and fled the dealership. Wounded and a gun stolen during the crime were found in a trash bin.

ENVIRONMENT

Global warming hasn’t warmed Alabama much

Dennis Folden / dfolden@al.com

Average temperature across the United States has increased by an average of nearly 2 degrees over the past 120 years or so, but that isn’t even across the country. Alabama and Mississippi have mostly avoided rising average temperatures since 1990, with other areas confined to the Midwest seeing increases, according to an analysis by The Washington Post.

The Post and Pew Research Center analyzed average temperature data from the National Oceanic and Atmospheric Administration, NASA and other climate models to show that while many areas of the country have seen average temperature increases of 4 degrees or more, the Southeast has been less impacted.

In Alabama, 22 counties saw a temperature increase. Four stayed the same, and 40 even decrease.

Conecuh County cooled the most, with a 1.6-degree decrease in average temperature, while Mount County warmed the most, with a 4-degree increase.

As a whole, Alabama saw an average decrease of 0.3 degrees. The national average was a 1.9-degree increase.

Alabama state climatologist John Clarty said the PoP’s analysis of Alabama’s temperature data is consistent with his work showing a slight cooling in the state, though his analysis was not focused on specific temperature measurements, which can be impacted by local conditions, such as deforestation, urbanization and farming rather than solely greenhouse gas emissions.

“that the temperature has been since 1990 in the U.S. as a whole, and not only in Alabama,” Clarty said. According to the PoP’s national analysis, Alabama is in the state with the largest observed warming, with several others in southern states also showing significant increases in temperature.

Many states have already experienced warming of more than 2 degrees Celsius (about 3.6 degrees Fahrenheit), which is considered one benchmark cited in the latest report from the Intergovernmental Panel on Climate Change.

The PoP report notes that areas of the country that saw average temperature increases of 2 degrees or more saw the fewest losses in the number of cold days and longest green days, the loss of most cold spells and significant reduction in the number of days with below-average temperatures. Temperatures are already above freezing on more than 150 days a year in Alabama.

Currently the global average temperature increase is about 0.5 degrees Celsius or 0.9 degrees Fahrenheit.

Deadline for acceptance of proposals is 4:00 p.m. Friday, August 12, 2019.

Recession: Economists think consumers can recover

Manufacturing job growth has tapered off during the past year. Surveys of manufacturers indicate that the uncertainty from tariffs is hurting their businesses.

American manufacturers appear to be either in a recession or on the verge of one, said Joe Brusuelas, chief economist for the consultancy EY. The last recession was in 2007-2009 during the administration of Barack Obama.

“Right now, the recession risks are more policy-driven, and if policy does change or the trade and finance war with China escalates, then the manufacturing recession will become a broader and deeper recession that threatens to spill over into other areas of the economy,” he said.

Trump, who promised voters a manufacturing renaissance, has yet to acknowledge the economic gloom.

“...we are restoring the glory of American manufacturing,” the president said Tuesday in Pennsylvania, a state that lost 5,400 factory jobs so far this year.

But, many economists say they’re worried that the government has fewer options to spur the economy than it has in the past.

The short term interest rate that the fed controls is below zero, driving inflation lower and discouraging the central bank from raising interest rates. Between the Great Recession of 2007-2009, the Fed cut rates to zero.

While wages are down, and the wider budget deficit, on track to hit $1 trillion in 2022, also looms the government with $1.35 trillion in debt.

Firefighters help demolish their aging old station

Spring Hill will get a new Station No. 18 at same site

Lawrence Sperelakis | ltcpr.com

It’s not every day that you see firefighters tearing down buildings to their own station, but that’s exactly what happened Tuesday evening in Mobile. The city’s fire leaders announced that Spring Hill Fire Station No. 18, a 72-year-old facility at the corner of TPK Drive and the U.S. 82 turnoff in Spring Hill, will be demolished.

According to the city, the station was built in 1948 and is one of the oldest in the city. It has been serving the community for more than 70 years, but it is becoming outdated and no longer meets current standards.

“Spring Hill Fire Station No. 18 is outdated and doesn’t meet current standards for fire stations,” said Mobile Fire Director Gary Watson. “It’s time to build a new station that can serve our community for decades to come.”

The new station will be built at the same location as the old one, which is near the intersection of U.S. 82 and TPK Drive. The new station is expected to be completed by 2023.

The demolition of the old station is expected to begin within the next few weeks, and the area will be open for public use during the construction period.

Beef O’Brady’s gives beef-less burger a whirl

Lawrence Sperelakis | ltcpr.com

On one side was Beef O’Brady’s and its Impossible Burger, now being served in a pilot test at two of the chain’s Alabama restaurants. On the other side was Beef O’Brady’s Certified Angus burger, one of the chain’s beloved fixtures, which was a movie property that took a bite of each and couldn’t tell the difference.

The Impossible Burger is made from plant-based patty, which uses similar ingredients as the Certified Angus burger. It’s just a bit different in texture and flavor.

For those with dietary restrictions or preferences, the Impossible Burger may be a great option. It’s a plant-based burger, which is a great alternative for people who don’t eat meat.

The Impossible Burger is a great option for those looking to reduce their meat consumption or who are interested in trying something new. It has a similar taste and texture to a traditional beef burger, but it’s made from plants.

Williamson coach: She stresses education first to all her players

FRANKLIN

"Most people don't understand what a legend she is in this city," said Coleman, who played for Douglas when he was young. "She coached some of the best athletes ever to come through Mobile. In football, in basketball — she taught everything. She taught them how to play basketball." 

Douglas is one of two female football assistant coaches in the state entering the 2020 season. Greene County's Maison Tomlinson is the other. They are believed to be the first female assistant in Alabama high school football history.

Sumter and Geneva County head coach, Bob Staggs has said Douglas and Tomlinson weren't hired because they were women. They were hired because of their character and ability to coach young people.

"You don't have to be a woman to hire her. We're in a community, you know what I'm saying," Coleman said.

"When each Douglas first walked into the field house, I didn't care what she was like, I'm just happy that she showed up. It doesn't have anything to do with publicity, it's very intense, but she has a deep connection to our players and our staff because she raised them all." 

Douglas first became involved in coaching when the foot and field club of Mobile needed a physical education director in 1991. She worked there for 14 years before Hurricane Katrina destroyed the gym. She also spent time coaching at Hampton-Thomass Community Center and Taylor Park Community Center, among other spots.

She estimates that she's coached over 1,000 kids over the years and has even given a few of them a roof over their heads when they needed it.

"Some of these kids were homeless or didn't have anywhere to stay, and she would move them in her house and take care of them," Coleman said.

"WE NEED YOU"

When Staggs became head coach at Williamson in 2012, he wasn't familiar with Lenora Douglas. That changed in a hurry.

"When I first got here, all I cared was 'Miss Le', 'Miss Le'," he said. "She did so much for us. Once we finally got, I would ask her every year, 'When are you coming to our camp? Where are you coming? We need you.'"

The process of Douglas joining the Williamson staff started last fall.

Explained Douglas, "I had been told out of my last job. I had sat around the house for about a month, just wondering what my next job would be. I finally heard a voice say, 'Get up. Why are you laying here?'"

Douglas applied for a volunteer position with Mobile County Public Schools in October. Later in the fall, a full-time spot became available at Williamson. Douglas jumped at that opportunity. "I've been an assistant for many years," she said. "My kids are adults now, and I decided to retire from coaching." 

Coaches have been asking me to come coach," said Douglas, who also works with the children's culinary team. "I was always looking for a place to coach and be involved with young kids."

Coleman and Staggs laughed at the thought of one of Williamson's players might accept Douglas because she was female.

"I call her 'The Godmother,'" Staggs said. "She was always on the field with us kids. She had the type of connection with the kids that we didn't have. She coached them from when they were little until now. She can still say to a kid's house, knock on the door, and walk in. She is the type of woman who can connect with kids at that level." 

He said, "She taught me about hard work and respect. Everything she has taught me to track here. She taught me to be the best in everything I do. That is what she instills in everyone. And toughmude... If you didn't have that, you had it when she finished coaching you."

"YOU'RE THE BEST"

Douglas said she stresses education first to all her players. "Once you get your, you've got to go back and say, 'I wish I could have done this,'" she said. "Get your education, so you can talk about the things that you made it out of here and were successful." 

Coleman said that Douglas' players believe in her and she makes them believe in themselves. How does she accomplish that? "She's the best," she said. "If I trust you, you should trust me. Everyone knows they can't touch the boy, but if I believe in you, I believe you can — that's all that matters. You've got to believe in yourself.

Douglas graduated from Williamson in 1991. She played softball and basketball and ran track. She said that she tried to play volleyball, too, but "that didn't work out very well." It's important for her to lose the Lions record, and she believes they will this fall.

"We are going to make some noise, make an impression," she said.
Dauphin street goes exotic for ‘Tiki Week’

Lawrence Specker / lspecker@al.com

‘Tiki culture may be a niche of a concept, but underneath its trendy South Pacific caricature and umbrella-shaded drink stalls there’s always been a subtle thread of obsession. ‘

Roy Clark, general manager of the Haberdasher club downtown, has been a proponent of that thread for six years, and pulling more and more people along with him. Once is that the third annual ‘Tiki Week,’ running from Monday, will be the biggest ever.

It features seven venues along the Dauphin Street corridor, including the Haberdasher. The themes range from casual to sophisticated.

The cocktails were the starting point for Clark back in 2016 when he held the first Tiki Night at the Haberdasher. In the 1980s, a new generation of classic cocktails had been created by Tiki bars, and these were the cocktails of the ’80s, according to Clark. These were the cocktails of the ’80s, according to Clark. These were the cocktails of the ’80s, according to Clark.

Then they fell out of favor, and it was time to make a complete experience, with appropriate glassware, music and décor. "It became very quickly apparent that we had to do something," he said. "For some reason, it just seemed to me that it was the right time to do it, and so we did." He said it’s a completely made-up concept, but it’s a fun idea, and it comes up with fresh ideas.

The concept of Tiki Week involves a series of themed events at various venues around the city. The events include Tiki-themed cocktails, music, and entertainment. The goal is to create an immersive Tiki experience for the participants.

Tuesday, Aug. 30: Pick up a “Passport” at any venue, and which will be getting into the Tiki spirit of things.

Wednesday, Aug. 31: The “Tiki Mix” party starts at 6:00 p.m. Participants are urged to wear tropical attire and to pick up “Passports” to keep track of their journey with stamps and knockouts. All 8 p.m. The Haberdasher presents a raffle ticket with a representative of Brummel and Wooten Park Avenue from Tallahassee.

Thursday, Aug. 31: Fort Lauderdale Beach’s “Tiki Week” starts at 7 p.m. Featuring Tiki-themed music and drinks. The passport starts at 8:00 p.m. at the Haberdasher. Also at 8 p.m., the Haberdasher will showcase a belly dancing show at the entrance of the Tiki Night. The event is free.

Friday, Aug. 31: The Dauphin Island Road Crew’s “Tiki Week” will end at 9 p.m. on the Dauphin Island Road. The event will feature Tiki-themed cocktails and music.

Saturday, Aug. 31: The Dauphin Island Road Crew will host the Tiki Night starting at 8 p.m.

Behind-the-scenes look at local breweries

The Downtown Mobile Alliance is sponsoring a “Tiki Night in the Brewery Tour” on Aug. 11, from 4:00 p.m. The tour will visit all five of the breweries participating in the event, including Iron Horse and Old Majestic. At each stop, attendees will get a behind-the-scenes look at the craft beer industry and can enjoy complimentary samples. Tickets are $30 for members of the Downtown Mobile Alliance and $35 for others. Tickets available at downtownmobile.org. For more information, call 251-662-6386.

FY2019 CoC Program Application

Project Ranking Criteria and Methodology

New Project Eligibility and Threshold Requirements:

New projects must meet minimum project eligibility, capacity, timeliness, and performance standards identified in the NOFA or they will be rejected from consideration for funding. Project applicants and subrecipients must demonstrate the financial management capacity and experience to carry out the project as detailed in the project application and the capacity to administer federal funds.

All projects must meet basic eligibility requirements as outlined in 24 CFR 578.

All projects must also meet all eligibility and threshold requirements as outlined in the 2019 CoC Program Competition NOFA. (See page 3, threshold requirement checklist.)

Ranking Process:

HUD requires that CoC’s rank all projects in two Tiers. Tier 1 is equal to 100% of the combined ARA for all projects eligible for renewal for the first time, plus 94% of the combined ARA for all projects eligible for renewal. Tier 2 is the difference between Tier 1 and the CoC’s ARD plus any amount available for bonus funds.

ARD: $3,699,553

Tier 1: $3,477,581
Tier 2: $ 221,972 + Any Applicable Bonus Funds

Any COC Board Member associated with an agency that is applying for funding will not be a part of the ranking process.

The CoC’s ranking process is intended to be a coordinated, inclusive, and outcome-oriented community process for the objective ranking and selection of project applications. New projects will be evaluated and ranked as follows:

1. **New Project Applications will be scored and ranked according to the attached point system: “2019 AL-501 CoC New Project Scoring Criteria.”**
   - New Projects will be evaluated based on capacity*, need, and ability to successfully operate programs to reduce and end homelessness.
   - Points will be awarded based on the specifications outlined in the scoring criteria.
Any data necessary for determining capacity or performance as it relates to Victim Service Providers will be reported from an HMIS-comparable, HUD-approved database, and evaluated based on the degree they improve safety for the population they serve. Data from HMIS and/or comparable databases will exclude participant names and identifying information in order to maintain participant confidentiality.

2. All New and Renewal/Expansion projects that meet all threshold criteria will be ranked based on project type and population served according to the attached “2019 CoC Priorities” document.

3. In the event two or more projects’ scores result in an identical rating, the tie will be broken according to any locally established priorities outlined in the “2019 CoC Priorities” document. Should the tying projects be of identical project type or if the CoC has established no local priorities, then the tie will be broken according to the requested amount of grant funding - with larger grants being rated above grants with less funding.

Reallocation Process:

Renewal projects may voluntarily reallocate a portion of their funds by reducing the amount in their renewal project application. Renewal projects may be reallocated in part or in whole during the review and ranking process because of poor performance, unused budget amounts from previous years, or need for increased funding in a higher priority project type according to the CoC’s local priorities.

The CoC reserves the right to adjust a project’s ranking and remove a project from Tier 2 – regardless of score - if the Tier 2 project fills a critical service gap and/or community need or serves any established priority populations.

The CoC reserves the right to adjust a project’s ranking and place a project into Tier 2 - regardless of score - if the Tier 1 project is deemed noncompliant with CoC Policies & Procedures, noncompliant with HUD regulations, fails to adhere to the Housing First Model of assistance, no longer fills a critical service gap or no longer serves an established priority population.

The CoC will consider the vulnerability and service needs of each project’s target population during the ranking process. This is to ensure the availability of services to high-priority populations in accordance with the CoC’s local priorities.

New Project Acceptance/Rejection

New project proposals that do not meet all threshold requirements will be rejected.

New project proposals that meet all threshold requirements will be accepted and ranked but may not be funded if they rank outside of available funding amounts. Likewise, HUD may choose to fund all, some, or none of the projects ranked in Tier 2 - based on HUD’s funding availability and competitive process.
The CoC Board will review all projects to determine if they meet the following eligibility threshold requirements on a pass/fail standard. If the CoC Board determines that the applicable standards are not met for a project, the project will be rejected.

- Coordinated Entry Participation - Project must receive 100% of program participants through the Coordinated Entry Process or an approved alternative system for projects serving victims of domestic violence.

- Housing First Model/Low-Barrier Implementation - Project must follow the Housing First Model and certify as such in the eSnaps project application form.

- Documented, secured minimum match - All matching funds must be identified, and the commitment must be documented.

- Applicant is active CoC participant – Subrecipient agencies must be current members of the CoC General Membership.

- Application is complete and data are consistent - All sections of the project application must be complete and agree in numbers and activities in all sections.

- Data quality (for renewal projects only) must be at or above 90%.

- Acceptable organizational audit/financial review.

- Documented organizational financial stability - financial structure, policies & procedures, and general ledger must demonstrate appropriate capacity for managing federal funds.

2019 CoC Priorities

Following a review of community data and examination of the local homeless assistance system’s current structure, the CoC Board of Directors for the Homeless Coalition of the Alabama Gulf Coast voted not to prioritize any project type or subpopulation over others.

Approved by CoC Board of Directors on 08/14/2019
Renewal Project Eligibility and Threshold Requirements:

Renewal projects must meet minimum project eligibility, capacity, timeliness, and performance standards identified in the NOFA or they will be rejected from consideration for funding. When considering renewal projects for award, the CoC Board will review information in HUD’s Line of Credit Control System (LOCCS), Annual Performance Reports (APR), information provided from the local HUD/CPD Field Office, including monitoring reports and A-133 audit reports as applicable, and performance standards on prior grants.

All projects must meet basic eligibility requirements as outlined in 24 CFR 578.

All projects must also meet all eligibility and threshold requirements as outlined in the 2019 CoC Program Competition NOFA. (See page 3, threshold requirement checklist.)

Ranking Process:

HUD requires that CoC’s rank all projects in two Tiers. Tier 1 is equal to 100% of the combined ARA for all projects eligible for renewal for the first time, plus 94% of the combined ARA for all projects eligible for renewal. Any COC Board Member associated with an agency that is applying for funding will not be a part of the ranking process.

The CoC’s ranking process is intended to be a coordinated, inclusive, and outcome-oriented community process for the objective ranking and selection of project applications. Renewal projects will be evaluated and ranked as follows:

1. **Renewal and Expansion projects will be scored and ranked according to the attached point system: “2019 AL-501 CoC Renewal/Expansion Project Scoring Criteria.”**
   - Renewal/Expansion Projects will be evaluated based on performance measures. The data will come from submitted APRs, LOCCS, and CoC monitoring reports.
   - First-time renewal projects with less than six months of data and no APR will be scored according to the New Project Scoring Criteria.
   - Performance measures meeting or exceeding the outlined goals will result in maximum points. Measures lower than the goal will be scored proportionally.
2. All New and Renewal/Expansion projects that meet all threshold criteria will be ranked based on project type and population served according to the attached “2019 CoC Priorities” document.

3. In the event two or more projects’ scores result in an identical rating, the tie will be broken according to any locally established priorities outlined in the “2019 CoC Priorities” document. Should the tying projects be of identical project type or if the CoC has established no local priorities, then the tie will be broken according to the requested amount of grant funding - with larger grants being rated above grants with less funding.

Likewise, HUD may choose to fund all, some, or none of the projects ranked in Tier 2 - based on HUD’s funding availability and competitive process.
FY2019 CoC Program Application

Project Thresholds

The CoC Board will review all projects to determine if they meet the following eligibility threshold requirements on a pass/fail standard. If the CoC Board determines that the applicable standards are not met for a project, the project will be rejected.

☐ Coordinated Entry Participation - Project must receive 100% of program participants through the Coordinated Entry Process or an approved alternative system for projects serving victims of domestic violence.

☐ Housing First Model/Low-Barrier Implementation - Project must follow the Housing First Model and certify as such in the eSnaps project application form.

☐ Documented, secured minimum match - All matching funds must be identified, and the commitment must be documented.

Request for Proposals 2019.pdf
46K
INTRODUCTION

The U.S. Department of Housing and Urban Development (HUD) released the FY2019 Notice of Funding Availability (NOFA) for homeless assistance through HUD’s Continuum of Care Program on July 3, 2019.

As the Collaborative Applicant for the Homeless Coalition of the Alabama Gulf Coast (AL-501), Housing First, Inc. is accepting proposals for new projects that wish to use HUD CoC Program funding for homeless assistance.

The amount of funding to be available is estimated at approximately $3,811,801, which is the amount of currently funded projects seeking renewal funding plus 10% PPRN ($311,089) for Domestic Violence Bonus Projects and 6% ARD ($184,978) for additional Bonus Projects. Newly proposed and renewal projects will compete for available funds. All projects meeting threshold requirements will be eligible for prioritization for funding by the Homeless Coalition of the Alabama Gulf Coast. HUD will then award funds based on the CoC Application score and project criteria described in the FY2019 NOFA.

PUBLIC INFORMATION MEETING

A public meeting will be held on July 31, 2019 at 3:00 PM at the Ben May Main Library, 701 Government St., Mobile, AL 36602. Interested parties are encouraged to attend this meeting to receive additional information and participate in Q&A regarding this process.

ELIGIBLE APPLICANTS

To be eligible for CoC Program funding under this NOFA, project applicants must meet all both eligibility and threshold requirements contained in the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11381-11389) (the Act) as Amended by the HEARTH ACT, the CoC Program Interim Rule (24 CFR part 578) (the Rule), the FY2019 CoC Program Competition NOFA, and any HUD-published CoC Program guidance for new project applications.

The above documents can be found at https://www.hudexchange.info/
Prior to submitting an application, applicants should ensure they meet the following threshold criteria:

1) Applicant has a valid DUNS number
2) Applicant has no outstanding delinquent Federal debts
3) Applicant has no debarments and/or suspensions
4) Applicant has an accounting system
5) Applicant must disclose any violations of Federal criminal law
6) Active registration in the System for Award Management (SAM)
7) Applicant must demonstrate eligibility by providing the following:
   a. Signed authorization to apply for CoC funding
   b. Most recent IRS 990
   c. Most recent audit report and auditor’s management letter
   d. By-laws
   e. Articles of incorporation
   f. IRS 501(c)(3) designation letter
   g. Current board roster – including at least one homeless or formerly homeless member
   h. Copy of budget for the last operating year, the current operating year, and the next operating year - if available
   i. Copy of Code of Conduct/Ethics, Conflict of Interest Policy, and personnel, procurements, and accounting procedures
   j. Agreement to utilize the HMIS (or a HUD-approved alternative system for DV providers)

ELIGIBLE PROJECTS

24 CFR 578.37 states that Continuum of Care funds can be used for projects under five program components. They are:

1. Permanent Housing (including rapid rehousing and permanent supportive housing)
2. Transitional Housing
3. Supportive Services Only
4. HMIS
5. CoC Planning

Within the five program components listed above the following types of project applications are eligible submission in the FY2019 Program Competition. For more information see Section V. Eligibility Information.

Criteria for Applicants, Sub-section a. Project Applications for further explanation of the project types.

1) New Projects created through reallocation or CoC Bonus projects:
a. Permanent housing-permanent supportive housing (PH-PSH) projects

b. Permanent housing-rapid rehousing (PH-RRH) projects

c. Joint TH and PH-RRH component projects

d. Dedicated HMIS project for the costs at 24 CFR 578.37(a)(2) that can only be carried out by the HMIS lead

e. Supportive services only (SSO-CE) project to develop or operate a centralized or coordinated assessment system.

2) New Projects for Domestic Violence (DV) Bonus that are dedicated to serving survivors of domestic violence, dating violence, or stalking that are defined as homeless at 24 CFR 578.3:

a. Permanent Housing-Rapid Rehousing projects

b. Joint TH and PH-RRH component projects as defined in Section III.C.2.n of the 2019 NOFA

c. Supportive services only-coordinated entry project to implement policies, procedures, and practices that equip the CoC’s coordinated entry to better meet the needs of DV survivors.

3) Expansion Project - HUD will allow project applicants to apply for a new expansion project (see Section III.C.2.j of the 2019 NOFA) under the DV Bonus, reallocation, and CoC bonus processes to expand existing projects that will increase the number of units, persons served, services provided to existing program participants, or to add additional activities to HMIS and SSO-Coordinated Entry projects. If the new expansion project will expand an existing eligible CoC Program renewal project HUD will not fund capital costs (i.e., new constructions, rehabilitation, or acquisition) and HUD will only allow a 1-year funding request.

4) Consolidated Project - Applicants that intend to use the consolidation process to combine two or more eligible renewal projects (e.g., permanent housing-permanent supportive housing projects) may do so through the renewal project application.

5) Renewal Grants Per Unit Cost – Applicants requesting renewal of grants for rental assistance are permitted to request a per-unit amount less than the Fair Market Rent (FMR), if the actual rent per unit under lease is less than the FMR.

MEMORANDUM OF UNDERSTANDING

Between
Board of School Commissioners of Mobile County
And
Housing First, Inc.

Purpose
This Memorandum of Understanding ("MOU") is entered into between the parties to provide an affirmative statement of each party's commitment to support the children in Housing First, Inc.'s Rapid Re-Housing for Families project and in the community as a whole by providing housing, case management, and other supportive services as tailored to individual needs.

Parties
- **Board of School Commissioners of Mobile County** ("BOARD") provides public education as well as guidance, counselling, and case management for students, grade-school through high school, in Mobile County, Alabama. In its normal course of operations BOARD provides a minimum of 2 hours of case management by BOARD social workers and counsellors for a minimum of 60 children who are enrolled in the school system and in the Housing First Rapid Re-Housing for Families project on a weekly basis during the 40 weeks of school.
  - The value of the case management per hour is $28.
  - The total estimated value of the case management provided by BOARD per year is $134,400.

**Housing First, Inc.** is an Alabama nonprofit corporation and IRS 501(c)(3) organization that serves the homeless and at-risk citizens of Mobile and Baldwin Counties by providing:
1. Research and development for addressing homelessness
2. Housing and services for disabled and chronic homeless and their families
3. Housing and services for homeless veterans and their families
4. Rapid rehousing and services for homeless families
5. Intervention and supportive services to end and prevent homelessness
6. Access and administration of HMIS ServicePoint, an online and confidential client database for case management and statistical reporting. Housing First, Inc. operates the HMIS ServicePoint by authority of and on behalf of the Homeless Coalition of the Alabama Gulf Coast (AL-501 CoC).
7. Access and administration of the Community Connection Network (CCN), which provides an assessment of each homeless individual or household in our community and utilizes a comprehensive database to prioritize and refer them to the appropriate service providers in the community. Housing First, Inc. operates the CCN by authority of and on behalf of the Homeless Coalition of the Alabama Gulf Coast (AL-501 CoC).

Agreements
BOARD agrees to:
- Maintain open and ongoing communications with Housing First
Housing First, Inc. agrees to:

- Provide referrals of homeless households with children for case management with BOARD.
- Maintain open and ongoing communications with BOARD.
- Provide suggestions when warranted and consultation as requested for improving the process for making referrals, case management and reporting outcomes.
- Accept referrals from the BOARD of families with children who are homeless or at-risk of homelessness as made and determined eligible through CCN.

Legal

No payment shall be payable by either party to the other party as a result of this MOU. Both parties retain their status as independent legal entities and are not subject to the policies or procedures of the other unless agreed upon in writing. This MOU does not constitute a legal partnership or joint venture between the parties, and neither party shall be liable for the actions of the other. This MOU may be amended as needed by the written agreement of both parties. This MOU represents the entire and integrated agreement between the parties and supersedes all prior negotiations, representations and agreements, whether written or oral. This MOU shall be effective only for the BOARD’s 2016-2017 school year, and may be terminated by either party providing fourteen (14) days written notice to the other.

This MOU is contingent upon there being no declared proration of funding by the State of Alabama. Should the BOARD be caused to incur any reduction in any funding during the current fiscal year, the BOARD shall have the option of immediately terminating this MOU with no further obligation under this MOU, as of the effective date of termination. The provisions of this paragraph are effective even if the contract is executed after the date proration is declared.

Housing First, Inc. acknowledges the need to protect personal identifying information and other information of the BOARD’s students. Housing First, Inc. will ensure that its employees and all persons providing services hereunder will protect all such information from disclosure without the written consent of students and parents/guardians and will comply with all federal and state laws and regulations pertaining to protection of student information. More specifically, Housing First, Inc. acknowledges that the BOARD has designated Housing First, Inc. as a “school official” with “legitimate education interests” in the information of students whose records are being shared under the terms of this MOU, for purposes of the Family Educational Rights and Privacy Act (FERPA). Furthermore, Housing First, Inc. “acts for” and is an agent of the BOARD only for the limited purpose of Housing First, Inc.’s receiving protected information within the bounds of FERPA and other applicable federal law and regulations. Nothing in this MOU is to be construed as establishing an agency relationship between the Housing First, Inc. and the BOARD for any purpose other than as set out in this paragraph. Housing First, Inc. agrees that it will not use or allow anyone to obtain access to personally identifiable information from education records except in strict accordance with the BOARD’S STUDENT EDUCATION RECORDS policy contained in the BOARD’S Student Handbook. Housing First, Inc. acknowledges that it has obtained and reviewed a copy of this Policy and fully understands the language set forth therein.

In no event shall BOARD or any of its Commissioners, officers, employees, agents, or servants be liable to Housing First, Inc. for any direct or indirect, special, consequential, or incidental damages.
or lost profits or punitive damages, arising out of or related to this MOU, or to the performance of or breach of any provision hereof.

Nothing in this MOU may be construed to limit in any way any immunity afforded to BOARD and/or its Commissioners, officers, employees, agents or servants pursuant to federal or state constitutional, statutory, or common law. Nothing in this MOU may be construed to limit any defense or limitation on damages available at law or in equity to BOARD and/or its Commissioners, officers, employees, agents or servants.

The parties' obligations under this MOU are subject to, and neither party shall be liable for, delays or failure to perform caused by or due to fire, flood, water, weather events, labor disputes, power outages, civil disturbances, or any other cause beyond the party's reasonable control.

COC AL-501 HOMELESS COALITION OF THE ALABAMA GULF COAST

Resolution 01-2018

RESOLUTION TO STRATEGIZE FOR THE END OF RACIAL DISPARITIES IN HOMELESSNESS

WHEREAS, the Homeless Coalition of the Alabama Gulf Coast (AL-501) represents communitywide interests and efforts to end homelessness; and

WHEREAS, recent analysis indicates that a disproportionate number of African Americans access the homeless assistance system in comparison to overall population in both Mobile and Baldwin county; and

WHEREAS, the United States Department of Housing and Urban Development urges Continuum of Care planning bodies to carefully consider racial disparities in accessing, receiving, and the outcomes of participating in homeless assistance projects; and

WHEREAS, the Homeless Coalition of the Alabama Gulf Coast (AL-501) desires to better serve the homeless population of Mobile and Baldwin county;

NOW, THEREFORE, BE IT RESOLVED, that the Homeless Coalition of the Alabama Gulf Coast (AL-501) will continue annual analysis concerning the racial and ethnic distribution of individuals and families accessing homeless assistance through our community’s system; and, be it further

RESOLVED, that the Homeless Coalition of the Alabama Gulf Coast (AL-501) will continue annual analysis to assess whether persons of different races or ethnicities are more or less likely to receive homeless assistance or to receive a positive outcome from homeless assistance; and

RESOLVED, that the Homeless Coalition of the Alabama Gulf Coast (AL-501) will seek data concerning the myriad and systemic causes of homelessness and ideas regarding the methods in which local policymakers can influence racial disparities in our community’s homeless population; and

RESOLVED, that the Homeless Coalition of the Alabama Gulf Coast (AL-501) will send the aforementioned data, ideas, and concerns regarding racial disparities in homelessness to the Mobile City Council, the Mobile County Commission, the Baldwin County Commission, the Fair Housing Board, and all area Public Housing Authorities for further discussion.
On **August 8**, 2018, this resolution was proposed, voted on, and approved by the Chair and Board of Directors of the Homeless Coalition of the Alabama Gulf Coast, AL-501 Continuum of Care.
